READ—the following paper :—

From the Collector of Kistna, to the Executive Engineer, Kistna Eastern Division, dated 25th March 1896, No. 7224/Ver.

Referring to your Nos. 3746, dated 24th November 1895, and 5307, dated 17th March 1896, I have the honour to state that the Masulipatam Municipal Council applies for the old Taluk office at Bandur, on condition of keeping it in repairs and paying rent if the average income derived from it in five years should exceed the expense of maintaining it during the same period and restoring it to Government when required so to do. I think that instead of selling the site and building, they may be made over to the Municipality on the above terms which are the same usually enforced in the case of Government buildings made over to Local Fund Board. I shall be glad to know your views. The sanction of Government will, of course, be necessary.

No. 202.

Forwarded to the Superintending Engineer, II Circle, for favour of orders. The building and site were ordered to be sold in G.Os., Nos. 1923 W., dated 2nd August 1895, and 2809 W.,* dated 5th November 1895, and the Collector was accordingly asked to sell them. I see no objection to the present proposal.

12th April 1896.

Ex. Engr., Kistna Eastern Divn.

28th April 1896.
