C. J. Rawson Esq. Acting Collector. President
The Rev. J. H. L. Wright Chaplain of St.
Stephen's - Vice President.
L. H. Amnett Esq. J. D. Chairman of the
Municipal Council.
A. R. Winterton Esq. Honorary Secretary.

(1). Read Proceedings of meeting of the
Trustees held on the 2nd August 1895.
Read also Proceedings of the Director
of Public Instruction W. 12665 dated
the 2nd November 1895 as to the necessity
for employing a general teacher qualified
in drawing.
Read also letter of the Head Master to
the Honorary Secretary dated the 29th February
last reporting a great increase in the
number of boys in the School and apply-
ing for an additional master.
The Trustees resolved that the
employment of an additional master
is necessary; that if possible a
European or Eurasian master be
obtained with due regard, if possible
to the recommendation of the Director
as to qualification in drawing. That

a salary of not more than \$100. per month be given to a duly qualified teacher and that the Head Master be requested to make enquiries as to a suitable assistant on the above lines and to advertise if necessary and report the result to the Trustees for their decision.

14th March 1896.

To

The Chairman
Municipal Council,
Cotacaimund.

Sir,

I have the honor to inform you that the Trustees of the Speech Memorial High School held a meeting on the 14th Instant at the Collector's Office to consider a letter from the Head Master reporting that since he took charge of the school on the 1st November last the number of boys attending the school had risen (from 22 on the 1st November) to 63, and requesting the appointment of an additional master. And I have the honor to enclose a copy of the resolution passed by the Trustees on the subject.

The Trustees find that the increase of fees consequent upon the increased number of boys on the roll is so considerable that the salary of the additional master would probably be met out of it even if no half salary grant could be obtained from Government, while if the usual grant be obtained the increased fees

fees will more than meet the additional cost
to the school.

The Director of Public Instruction
in his Proceedings of the 27th November
last, before the recent increase in the
number of boys took place, remarked
that "a General teacher also qualified
"in drawing should be employed at
"the earliest opportunity of the school
"is to work efficiently". He will
doubtless therefore make the usual
half salary grant.

I have re.

Sir,

I have the honor to transmit, through the Director of Public Instruction, for the sanction of the Government, an extract from the Proceedings of the Municipal Council, with connected papers, regarding the employment of an additional master, a European or Eurasian, for the Forester Memorial High School, on a salary of Rs. 100 per mensem.

2. The Director of Public Instruction in his Proceedings dated 29th November 1895 n^o 12665 para 5 remarked that.

"A general teacher, also qualified in drawing should be employed at the earliest opportunity if the School is to work efficiently."

3. The Head Master has informed the Trustees that the number of boys attending the School had risen from 33 on the 1st November when

when he took charge of it, and the Trustees find that the increase of fees consequent upon the increased number of boys is so considerable that the salary of the additional Master would probably be met out of it.

H. Municipal Council has sanctioned the appointment of an additional master whose employment, it is believed, will be the means of attracting more boys to the school, and tend to increase still further the income derived from fees.

I have the honor to be,
Sir,
your most obedient servant,
