Subject.

Referring to G. O. no 2 Drio
dated 6 January 1896 states that
the lane not being a private one
is presumed to be vested in the
Commissioners.

C.

To order

As to whether the land
marked yellow on plan no. 2
stitched with the fo. road above
can be considered to vest in the
Commissioners under S. 233 of
Act I of 1884 as being a public
lane.

The plan does not show the site
to be a lane at all. The lane
apparently ends at the site. If it
is a lane, the sale of the land would
effectual stop all use of the lane, &
thereby deprive the public of the
use of a thoroughfare. It might be
as well to ask for a fresh plan, as
the one submitted the site does not
appear to be a lane.

Order

The President should submit
a fresh plan of the land ^{referred to} applied for, as
in the one already submitted the site does
not appear to be a lane, but a piece of
open ground.
