TO BE RETURNED WITH REPLY.

Reg no 78/1895

No. 97

Referred to the Municipal Council of Vaniyambadi for early report which should be submitted through the Collector.

By order,
W. D. Phillips
Sy: Asst Secy

Rd 25/1/96
Fort St. George
24th January 1896

To The Chairman, M. C. Vaniyambadi.

The petrs state as follows:-

An order has been issued asking the petrs to shift their burial ground, which is now near the Municipal Hospital, to the north of the Municipal Rubbish Depot near Pudur. This order is to have effect from the 1st February next and a fine of Rs 100 is prescribed as the punishment for its violation.

There are two Mahomedan mosques on the way from Govindapuram to the proposed burial place. Moslem worshippers are always present in these mosques and they will be greatly annoyed at the noise of drums &c which necessarily precede a Hindu funeral procession. The Municipality therefore has to be responsible for any riots that may arise in consequence.

The religious scruples of the people of Pudur will not allow the petrs to carry their dead through their streets. The only other passage open to the petrs at in Pudur is through and the masjid. In any case therefore the order of the Municipality referred to above will cause much unnecessary trouble that may be avoided. There have already been some instances of religious quarrels between the Hindus of the place who are petrs & the Mahomedans who are not. The petrs therefore pray that orders may issue to the new Municipal chairman allowing them to use as their burial ground the 3a Kulies of land (waste) to the west of their present burial place, in the west of the Pariah Street of Tirumanjolai village.

THE CHIEF SECRETARY TO GOVERNMENT

THROUGH THE COLLECTOR OF
SALEM.

Sir,

Adverting to Government Endorse-
ment No 97 dated 24th January last
on the petition of the people of Govinda-
puram protesting against the proposed
removal of their burial ground to Pudur
I have the honor to state that the Council
at their meeting held on the 11th February
1896 considered the question and that on
subsequent consideration they are of
opinion that there is some weight in the
arguments contained in the petition and
deem it expedient to have the burial
ground removed to the site selected
by the petitioners. I personally inspected
the place and in my opinion it seems
to me to be unobjectionable.

I

I am afraid the present burial ground which was closed on account of it being quite close to the new hospital building (which will be ready for use from 1st April next) cannot any longer be used for the purpose. If Government is pleased to allow the use of the site referred to in the petition as burial ground, subject to the approval of the District Medical and Sanitary officer of Salem, application will be made at once for the acquisition of the land which is not very costly.

A Copy of the Councils Resolution on the subject and a sketch showing the proposed site accompany.

The petition is also herewith returned.

I have the honor to be
Sir,
Your most Obedt. Servant

Chairman
