SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE Honorable the Chief Secretary
to Government
Local and Municipal Department

SIR,

With reference to Grant III of the Budget estimate of the Cuddalore Municipality for the year 1896-97, I have the honor to state that the proposal of the Municipality to replace the 1st class hospital assistant attached to the dispensary at Tirupapuliyur by a 3rd class man is objectionable as men of this class are not competent to hold independent charge of dispensaries vide para 5 of G.O. No. 527 Public dated the 25th June 1895.

2. I will be happy to give Rajah Sir Ramaswamy Mudaliyar any assistance that he may require but the proposed building for Women and Children hospital should be on Standard plan sanctioned by the Sanitary Board.

3. It would be a great pity to do away with the matron and nurses of the lying

lying in wards in the Municipal hospital where lying in cases should continue to be treated and pupil midwives trained.

4. I cannot approve of the suggestion of the collector regarding the Police hospital being used for treating women and children till the construction of the new building. It would be far better to open a separate dispensary for women and children under a female medical practitioner and not have it as a hospital which was found to be a mistake in Masulipatam.

5. The following staff would be sufficient:-

One Lady apothecary

One compounder on the first rate of pay viz Rs 9 as per G.O No 16742 Local and Municipal dated the 11th September 1888.

One female attendant (caste)

One peon (Caste)

I have the honor to be,

Sir,

Your most obedient servant,

Chidambaram
