HM.

S176 Act IV of 1884

HH 28/4/97

The Chairman's letter read above will be communicated to the Lieutenant General Commanding the Forces Madras.

2. The dilatoriness of the Municipal Council in taking steps to enforce the sufficient fencing of the bungalows and the removal of prickly pear is reprehensible. A further report on the results of the prosecutions instituted should be submitted through the Collector by the end of June next.

3. The Chairman should explain why the report called for in para. 3 of G.O. No. 1084 M dt 29th June 1896 was not submitted through the Collector, before the end of September last, as therein required.

Belgaum District,
Belgaum.

Sir,

With reference to your No. 1550 B, dated, 15th July 1896, I have the honor to state that the Municipal Council on the 21st July last passed a resolution that house owners should have sufficient fences for their bungalows and that prickly pear be prohibited

2. Notices were, I believe, issued accordingly to house owners but the result is absolutely nil - The compoun fences are still in the same disgrac condition they were in before the resolution was passed and no pricki pear has been removed.

3. With reference to sanitation, I attach a s a resolution pass by the Munic l on the 26

May 1896. This has not yet been put into force but it will be I trust shortly.

No 726

Municipal Councillors' Office
Bellary D/ 21st January 1897

LOCAL & MUNICIPAL DEPT.
CURRENT No. 315 M

From

M. R. Ry J. Rama Row Garu B. A.
Ex. Officio Chairman Municipal
Council, Bellary.

To,

The Secretary to Government
Local & Municipal Depts
Madras.

Sir,

With reference to your Endorsement No 1346 dated 20th November/96 (herewith returned) referring, for the early remarks of the Council, letter No $\frac{B}{11930}$ General dated 5th idem from the Deputy Adjutant General, Madras Command, regarding the maintenance of sufficient fences and the removal of prickly-pear, I have the honor to submit that, as stated in my letter No 245 dated 14th April last, about 30 notices under Section 176 of the Dt. Municipalities Act were issued on 2nd June/96 to all the gentlemen owning Bungalows both in the Cantonment and in the Civil Lines to maintain sufficient fences in good repair within 2 months from the date of service of notices by them. These notices were duly served

x in $\frac{1084M}{Go\ 29.6.96}$

on

on the parties concerned on several dates. Before the expiration of the 2 months' time allowed in the said notice, the owners of Bungalows in the Cantonment presented a mahazur on 1st July 1896 stating that their Bungalows had sufficient fences and hedges and that Section 176 of the Act did not prohibit aloes or prickly-pear being used nor it required that wire fencing should be put up or stone walls built. Thereupon the Dt. Medical & Sanitary Officer was requested to give his opinion whether aloes would come under noxious vegetation and he expressed that he could not say that they did and the Council passed a resolution, copy enclosed, on 21st July 1896 cancelling the prohibition of aloe-fencing and confirming that of the prickly-pear.

2. After the expiry of the time allowed in the notice, the Sanitary Inspectors were asked to report the names of owners who failed to comply with the notices served. The Station Staff Officer also kindly furnished similar information, for the Bungalows situated within the Cantonment limits in December/96 giving the names of twenty persons who had failed to comply with the notices and the Council sanctioned the prosecution of these persons under Section 176 of the Act at the meeting held on 15th December/96 and Charge Sheets were filed in the Magistrates' Court. Similar action will be taken shortly in the remaining cases also, which are very few.

ie 2nd August

There was a delay of 3½ months from 2nd Augt. to 15th Decr.

Evidently the Council took no action until it was roused by the Dy. Adjutant General's letter which was referred to it for remarks on the 20th Novr 1896.

3. As regards the removal of prickly-pear, I beg to state that the plan, referred to in para 4 of my letter No 245 dated 14th April/96, showing the Govt & private lands overgrown with it was made ready with much difficulty in June/96 and it was sent to the Collector on the 25th of the same month. On this the Collector again wanted further particulars and requested to inform him, for which of the sites, noted as Govt lands in the plan, a notice under the Act would be issued. With some difficulty the Survey numbers of the lands belonging to the Govt were ascertained and the Collector and the Officer Commanding the Station, were required to remove prickly-pear from them. In this connection about 140 notices were served on the owners of private lands also. A few of these have cleared their lands and some have done it in part only.

Q. The chairman was asked to report on this subject thro' the collector before the end of September 1896. (vide para 3 of G.O. No 1084 M. d. 29.6.96).

About

bout 65 owners of private lands are now charged for not complying with the notices. The cases are still pending before the Magistrate.

4. As regards the Sanitation referred to in para 3 of the enclosure to the letter under reply, I have the honor to state that the whole of the conservancy staff and the carts were placed entirely under the orders of the Station Staff Officer including an Assistant Sanitary Inspector, for the Cantonment on 2nd November/96, and since then, this Establishment is working directly under the orders of the Station Staff Officer without any complaint.

5. A copy of the Councils' resolution approving of this letter is submitted herewith.

I have the honor to be
