SUBJECT.

Requesting to instruct the
General to send a 2nd class
Hospital assistant to fudiyattam dispensary
man as originally proposed by him.
is not procurable.

Note

The budget for 1897-98 closes with
a balance of Rs 24.20 or 14.5 per cent of
the estimated receipts, but as a water-
supply scheme for the town is under pre-
paration it would be desirable if possible,
not to encumber the municipal funds with
permanent additional charges.
