OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 22nd April 1897. 1898.

No. 241

From

SURGEON-MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal

DEPARTMENT.

SIR,

With reference to para 4(4) of G.O.No.296-M, dated the 25th February 1897, I have the honour to offer the following explanation regarding the necessity for increase to the pay of hospital servants:-

JUNIOR WARD ATTENDANT - His work is responsible in as much as he has to help in the dressing of both in and out patients, take his turn of night duty every second night and nurse and attend to patients when on night duty.

PEON - This man draws a less pay than all the peons in the various Government offices in Bezwada and has more work than those peons. He has to issue tickets and numbers to out-patients, to preserve order in the hospital, carry letters to offices and to the post, take his turn of night duty and other work.

WATERMAN - This man's work is heavy and since the abolition of the Police Hospital, his work has increased, as the police had a waterman who supplied water for the Police institution. He has to bring all the water required for washing dead bodies sent for post mortem examinations and for washing the mortuary which was hitherto done by the Police waterman. During the dry season he has to bring a large quantity of water from the river both for washing and drinking purposes.

2. All these men draw Rs.5 each which is much below the

living

living wages. Their work is arduous and the small increase of rupee one each is very necessary for the efficient working of the hospital in a place like Bezwada where the Public Works Department pay Rs. 6 & 7 for watermen and punkahpullers.

I have the honour to be,

Sir,

Your most obedient Servant,

C. S. S. S. S.

Surgeon-Major-General,

Surgeon-General with the

C. S. S. S. S. Government of Madras.
