TINNEVELLY MUNICIPAL OFFICE,

No. 428

30 January 1897.

FROM

THE CHAIRMAN,

Municipal Council,

TINNEVELLY.

To

THE

Chief Secretary to the Government  
of the Madras Presidency

Sir,

I have the honor to forward herewith  
the resolution of the Tinniveilly Municipal  
Council dated 9th December 1896 and  
place it before the Government for  
orders.

Under resolution of the Tinniveilly  
Municipal Council dated 17th November  
1896 the Municipal Dispensary at  
Tinniveilly was placed as a tentative  
measure in charge of an apothecary  
on a salary of Rs 75. Owing to  
the apothecary having attained the  
next higher grade he was entitled  
to a salary of Rs 125 and the Council  
finding itself unable to meet this  
increased expenditure placed the  
matter before Government and

requested that the Government be  
pleaded to meet the increased expen-  
diture from Provincial funds so  
order the placing of the Dispensary  
in charge of an Apotheary entitled  
to a salary of Rs 75 (vide letter  
No 1470 dated 21st December/894)

820m  
11-5-95

The Surgeon General endorsed on the  
above application as follows  
Although provision has been made  
in the Budget for the increased pay  
of the Civil Apotheary as per from the  
report of the Dist Medical & Sanitary  
Officer that the finances of the Municipality  
are not in a flourishing condition  
this is one of those cases in which  
Government should be asked to  
supplement the cost as is done in  
my letter No 26 dated 25th January  
1895 regarding Civil appointments  
(vide letter of Surgeon General dated  
8th April/895 No 368) The Government  
in their order dated 14th May/895  
No 820 In this has passed proceedings  
that the Surgeon General's order should  
be referred to in the above para-  
graph is under the consideration of Government  
On examining the accompanying  
statements showing the receipts and

expenditure of the Municipality. The  
Government will find that the finan-  
cial condition is not satisfactory & there-  
fore no savings but only a deficit the  
Council is unable to meet the increased  
expenditure on the salary of the Apotheary

The Apotheary applied for Mutual transfer  
on 3-11-96 & the matter came before the Municipal  
Council on 23-11-96. A resolution was passed  
that the Council consent to the transfer of the  
Apotheary but in view of the financial con-  
dition and other reasons the Hospital  
should be placed under the charge of a First  
Class Hospital Assistant. This resolution  
was forwarded to the Dist Medical Sanitary  
Officer & that Officer asked the Council in his  
letter No 2853 dated 2-12-96 that the Mutual  
transfer may be sanctioned & the Government  
be addressed separately on the matter

The Head Quarters of the Dist Medical  
& Sanitary Officer and an Assistant Surgeon  
being only 3 1/2 miles from the Municipality, and  
the tentative measure not having proved a  
success the Council was of opinion that the  
Dispensary may be placed in charge of a  
first class Hospital Assistant

I request the Government will be  
pleaded to pass an order placing the Hospital  
in charge of a first class Hospital Assistant  
& in case the Government differ I request  
the placed in charge of an Apotheary. The  
Government will be pleased to order that  
the excess over a sum of Rs 75 be paid  
out of Provincial funds

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT.

SIR,

In returning your endorsement No. 207 dated the 20th February 1897, I have the honour to state that as the Municipal institution at Tinnevelly is a hospital and contains <sup>male</sup> beds for both and female patients, I am strongly of opinion that it should continue to be held by a Civil Apothecary.

2. Considering , however, the impecunious condition of the Municipality, I can only reiterate the recommendation made in my letter No.348 of the 8th April 1895 that Government should supplement the cost.

3. The proposal of the Municipal Council to place a

## Memorandum No. 859

Read the following paper:—

Returned to the Local and Municipal Department with the remark that the case is preeminently one in which the Civil Apothecary should not be replaced, and in which whole of his pay should be met from Municipal funds.

Should the Municipal funds show, in consequence, a deficit, the taxation should be raised. The increase of the house tax by 1 per cent under the new Act would suffice.
