Sir,

With reference to para 3(2) of
G. O. No 1187 M. dated the 13th July/1896

I have the honor to inform you, that the
Municipality has spent Rs 5131 on the
upkeep of the Municipal Hospital Bezrada
during 1895-96 and has claimed a moiety
of cost from the Taluk Board Bezrada.

2. The President Taluk Board Bezrada
has paid only Rs 2250 against Rs 2566
being the half of the actual cost incurred
and refused to pay the difference Rs 316
saying that he had no budget provision to do so.

I think it is fair that the
 Taluk Board should pay half the cost
 and I therefore beg to request that
 Government may be pleased to rule
 that half the amount spent for the
 maintenance of the Hospital should
 be borne by the Taluk Board.

I have the honor to be

Sir

of the Bezwada Taluk Board, Bezwada Municipal
Chairman's letter No 1083 stating that the
Taluk Board refused to pay the difference
of the moiety of cost for the maintenance
of Municipal Hospital.

(24) Resolution: —. The Board is not
at present prepared to pay more than

the sum of Rs 2,250 that has already been provided for. As regards the principle of paying half, the Board would point out that by accepting it, it would undertake a responsibility which would seriously interfere with the achievements of other urgent purposes. The expenditure on the Municipal Hospital is subject to no check by the Taluk Board and it may increase to such an extent in future years that to pay half of it would seriously cripple its resources for other purposes. The Board would further point out that as the District Board has withdrawn its annual contribution, the means at its disposal have become less while the demands upon it continue to be the same.

THE CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

MADRAS.

SIR,

With reference to Government endorsement No 1101 dated 23rd September 1896 herewith returned, I have the honor to forward a copy of the Bezpada Taluk Board's Resolution No 24 dated 11th November 1896, offering remarks on the subject.

2. The Municipal Chairman attributes the increased cost in 1895-96 to the raising of the Apothecary's pay from Rs 75 to Rs 125 per mensem, which fact was not intimated to the Taluk Board in time to provide therefor.

3. Experience shows that in Municipal Hospitals much more than half the patients come from outside Municipal limits. In the case of the Bezpada Hospital, the majority
