Loan.

Ordering, with remarks, the publication in the Fort St. George Gazette of an application for a — of Rs. 3,000 from Provincial funds required by the Anakapalle Municipal Council for the construction of a municipal office building.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From F. W. GOOCH, Esq., Chairman, Municipal Council, Anakápallo, to the Secretary to Government, Local and Municipal Department, dated 5th December 1896, No. 519.

In reply to your order, Mis. No. 1803 M., dated 24th October 1896, I have the honour to send you herewith plan and estimate for the proposed municipal office building, amounting to Rs. 3,000,* together with resolution of the council sanctioning the same and application in prescribed form for loan of a sum of Rs. 3,000 repayable, with interest, in ten annual instalments of Rs. 300 each.

2. This council has already proposed that Government be requested to permit a private loan of Rs. 2,000 to be raised to build at least a portion of the building required, but G.O., No. 1875 M., dated 5th November 1896, having since come to hand, it is considered far more desirable, now Government is empowered to grant loans for such purposes as a municipal building, that the money should be lent by Government, on such security and at such a rate of interest as they may deem proper.

3. It is proposed, if early sanction can be accorded for the loan, to proceed at once with the work departmentally, as there are very many workmen of all kinds out of employment and the whole of the money expended will thus directly benefit the town in this season of scarcity.

FOR ORDERS.

In this letter, the Chairman/^{of the} Municipal Council of Anakapalle asks for a loan of Rs. 3,000 for the construction of a municipal office building. No provision has been made for this in the budget estimates for the current, the ensuing year, but in case it is decided not to grant the loan applied for by the Ellore Municipal Council in the linked file, the loan application of the Anakapalle Council may be sanctioned and a portion of the amount which would otherwise lapse could be utilized during the current year.

This is a small matter & there is money. I think the loan may be granted.

Considering financial exigencies Govt. will probably not see its way to grant the loan asked for, there being other objects of a more pressing character for which the money could be used.
