FOR ORDERS.

The Municipal Council of Madura proposes to grant an allowance of Rs.125 per mensem to M.R.Ry. Venkatesulu Nayudu one of the Councillors as remuneration for devoting his full time to the office and outdoor duties of the Municipality. The rate-payers however object to this proposal and the Collector does not support it. The grant of this allowance is opposed to the provisions of Section 16 of the District Municipalities Act as amended by Act III of 1897, under which no "Municipal Councillor, other than a Chairman, shall receive any salary or remuneration from the Municipal funds" The Municipal Councils' proposal must therefore be disallowed and the following draft order is submitted for approval:-

CHIEF SECRETARY
14 APR. 1897
GOVERNMENT OF MADRAS

To

HIS EXCELLENCY
SIR ARTHUR ELIBANK HAVELOCK.
G. C. M. G.
GOVERNOR IN COUNCIL,
FORT ST. GEORGE.

The humble memorial of the under-mentioned rate-payers and voters resident within the Municipality of Madura,

MOST RESPECTFULLY SHEWETH :—

1. That Your Excellency's memorialists beg to submit that one of the elected Members of the Madura Municipal Council is Mr. P. R. Venkatesalu Naidu, who has been also till recently a private Clerk of Mr. R. Fischer, a practising Barrister who is the Chairman of the said Municipality.

2. That after the passing of the New Bill amending the said Madras Act IV of 1884, as Your memorialists believe in anticipation of the objection which may be taken under the said Bill to the said Mr. Venkatesalu Naidu holding a seat in the Municipal Council, he seems to have resigned his private clerkship under Mr. Fischer, and at a meeting of the Municipal Council held on 30th ultimo, it has been resolved that the said Mr. Venkatesalu Naidu be paid a monthly allowance of Rs. 125 from the Municipal Funds with effect from 1st April as a remuneration for his performing the Office and Outdoor work connected with the Municipality. Cw 1697/4/97

3. That there is a Manager and a chief Sanitary Inspector employed in the Municipality on monthly salaries of Rs. 90 and 60 respectively, and the affairs connected with each Ward are managed by a Ward Councillor appointed under Section 38 Clause IV of the Act.

4. That since the commencement of the Municipality in this town no necessity has been ever felt for remunerating a particular Councillor and investing him with the special duties connected with the Municipality, and even when the Council was presided over by Deputy Collectors who had other pressing work to attend to in their public capacity as Magistrates and Revenue Officers, the idea of remunerating a Councillor in the manner the present council has resolved upon was never in the contemplation of the Council.

5. That it is needless to submit that the services of educated gentlemen requiring no remuneration whatever are always available, especially at Madura and the memorialists submit that the present Chairman has no reason whatever to complain that in spite of the

existence of a Manager, the work is too heavy for him, and in the interests of the Municipality, he as an Honorary Chairman should see that its affairs are managed without unnecessary strain upon the Municipal Funds.

6. That it should be prominently noticed that the repeated suggestion of the Government in favour of appointing a paid Chairman for the Council has been thrown away by it on the ground of financial difficulty, and it is unaccountable how the Municipality has become suddenly affluent to meet the unusual and extraordinary item of Rs. 1,500 per annum to be paid to Mr. P. R. Venkatesalu Naidu.

7. That it is inadvisible to appoint a gentleman who is an elected representative, as a paid servant of the Municipality. Cases may often arise when it will become necessary for the Council to examine into the conduct and acts of such paid servant; and therefore if the latter be a Councillor possessing a vote and influencing his fellow Councillors, the Council may be prevented from passing a sound judgment on his conduct and acts. Therefore even if it be supposed that the work of the Municipality demand the attention of a paid officer in addition to the Manager, that officer should be a man of ripe experience and have no seat in the Council.

8. The memorialists further submit that there is nothing special in the educational or property qualifications of Mr. Venkatesalu Naidu. He is not even a Matriculate; and it will be possible for the salary proposed to get a gentleman of the standing, experience, and attainments of a Deputy Tahsildar.

9. That the fact that the said Mr. Venkatesalu Naidu has been a private clerk of Mr. Fischer, the resignation of the said appointment by the former just a few days before the resolution above referred to, want of due notice of the meeting to two of the Councillors who have already complained of it to the Chairman, the absolute want of necessity for adopting this unusual and costly system, the previous attitude of the Council against the appointment of a paid Chairman in spite of the suggestion made by Government in its favour, lead the memorialists to believe that the resolution passed by the Council may have for its sole aim the patronage of Mr. Venkatesalu Naidu.

In conclusion, the memorialists pray that Your Excellency may be graciously pleased to disapprove of the above-mentioned resolutions of the Madura Municipal Council.

We beg to remain,
Your Excellency's
Most obedient and humble servants.

LOCAL & MUN[illegible]
CURRENT No. 1697 M

From,

R. Fischer Esquire,
Chairman, Municipal Council,
Madura

To
The Secretary to Government,
Local and Municipal Department,
Madras.

Thro' The Collector of Madura.

Sir,

In forwarding herewith, copy of my proposal to Sanction an allowance to one of the Councillors, M.R.Ry T.K. Venkatesalu Nayadu Garu, as a remuneration for devoting his full time to office and outdoor works of this Municipality and of the resolution passed thereon at the meeting held on the 30th Proximo, I have the honour to request that Government will be pleased to accord Sanction to the resolution in question.

2. As the Government are aware, this is one of the largest and most important Municipalities in the Presidency, with revenues, capable of further expansion and in need of Some Sanitary works,

he foremost of which is the drainage heme which has now become a necessity lter the introduction of the Water Works, nd proposals regarding which will Shortly be laid before Government

3. Sometime back, a proposal was brought for the appointment of a full timed Chairman, but it was rejected for the following among other reasons, viz, (1) that it would be opposed to the professed object and principles of Local Self Government (2) that it had not met with either favour or Success in Several places where it was tried and (3) that it would put an unnecessary Strain on the already Straitened finances of the Municipality without any corresponding advantage.

4. The present proposal is not liable to the 1st and 2nd objections noticed in para 3 supra. Though it is calculated to involve the Municipality in Some additional expenditure, it is likely to Secure all the objects Sought to ttained by the appointment of a ed Chairman at a comparatively

less

less cost and by means of an agency in close touch with the Council.

5. The demands upon the time a attention of the Chairman in a large Municipality like this are too numero to be detailed, and it is highly desirab in its interests that he Should be assisted in the discharge of his heavy and onerous duties by a Councillor who could Spare his whole time for the purpose. In order to ensure an ungrudging co-operation, a decent remuneration was proposed and the Council fixed it at Rs 125 a month which, I think, is not very high considering the trouble and work expected of him. Some former Vice Presidents received Rs 50/- a month for carriage allowance alone and the extra expenditure the Municipality will now be put to by the present proposal ~~is~~ will therefore be only Rs 75/-

6. The Councillor Selected is one who has been assisting me gratuitously Since October last in — the performance

of

my heavy duties— Office and Outdoor— specially in the matter of the collection of axes.

When I assumed charge in September last the collection work was in a most backword State. There were ₨ 103,000 outstanding— ₨ 22,500 under arrears— including 1895-96, and ₨ 80,500 under current (1896-97) of which ₨ 13,800 have been realized under the former and ₨ 68,100 under the latter, leaving a balance of ₨ 7,000 and 11600 respectively, exclusive of the amount remitted by the Council. This is in a great measure due to his prompt and systematic exertions. Another instance in which he was of great help to me was in concerting necessary measures for combating cholera in consultation with the Collector and the District Medical and Sanitary Officer. He also materially helped me in extending and popularizing the private Scavenging System and the number of houses now under Service has more than doubled. He is the best man now available in the Counci for such work and is fit for it by his active and business-like habits. He further commands the confidence and esteem of the majority of his collegues and has resigned an appointment under me carrying ₨ 70/- a month to take up this office

I have the honour to be,
Sir
Your most obedient Servant,

Proposal of the Chairman that Mr. P.R. Venkatesalu Naidu Garu a Municipal Councillor be given an allowance under Section 16 of the Municipal Act IV of 1884 of Rs 150 a month, or such sum as the Council thinks fit, from 1st April next, as a remuneration for devoting his full time to office and outdoor works which are very heavy, and in the discharge of which he has been rendering him (the Chairman) material assistance since October last.

(Signed) R. Fischer

26th March 1897.

I Second the above proposal and think such an arrangement both just and beneficial.

Signed) C.S. Vaughan

I fully Support the Chairman's proposal and am strongly of opinion that a Councillor Should be in Charge of the Office and devote his full time to the Office and outdoor works, it is therefore necessary that

in

in the interest of the Municipality a decent remuneration should be given to Mr. Venkatesalu Naidu. As I know to a fact that he is working very hard and takes much interest in all branches of the Municipality and I regret much that I am unable to be present at the meeting to be held this evening because I am not well.
