CURRENT No. 1899. *Mr*

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Madras G.O. No. 4, Judicial, dated 4th January 1897.
Read the following paper:—

From the Inspector-General of Police, Madras, No. 1273, dated 10th April 1897.

*The order on
the 14th
12-11-96.
of Ld. Dept.*

With reference to G.O. No. 4, Judicial, dated 4th January 1897, I have the honour to report that the construction of a separate Police ward at Masulipatan is very necessary.

2. The accommodation in the present Municipal Hospital building is insufficient and the Municipality wishes to have the building for the use of its own patients. The Superintendent of Police, Kistna District, reports that the only building available for rent at Rs. 30 per mensem is at a distance of one mile and would necessitate the establishment of a separate Medical Staff at a considerable amount of expenditure.

3. The Municipality is willing to grant a piece of land free of cost for the Police to have a ward of their own erected within the compound of the Civil Hospital (Vide copy of the Proceedings of the Municipal Council dated 27th February 1897, herewith forwarded).

4. I request that, under the circumstances, the Government may be pleased to sanction the construction of a separate ward and to issue orders in the Public Works Department for the preparation of the necessary plans and estimates. I request also that the Municipality may be desired to allow the Police to remain in the present building till the erection of the new ward.

ORDER:—

ORDER:- No. 635, dated 3rd May 1897.

The Inspector-General's proposals are approved and the necessary orders for the preparation of plans and estimates will be issued in the Public Works Department.

2. The Municipality will be requested in the Local and Municipal Department to allow the Police to remain in the present building until the erection of the new wing is completed.
