To,

The Secretary to Government,

Local and Municipal Department,

Madras.

(through the Collector of South Arcot)

Sir,

With reference to para 4 clause 2 of G.O., dated 18th March 1897, No. 591 M., I have the honor to request the sanction of Government to borrow a sum of Rs 3,000 from the New Town Hospital Funded Capital (Rs 24,000) to meet the cost of certain repairs required to the Hospital and the Lying-in ward attached to it.

2. From para 25 of my letter printed in the above G.O., it will be seen that Rs 2500 was the sum originally intended to be appropriated from the Capital for the repair of the Lying-in ward and its out houses, but as the sum of Rs 2800 sanctioned in 1896-97 for repairing the Hospital is found inadequate, a further sum of Rs 500 is required to complete certain additional repairs to the building

Municipal Councillor's Office,

No 66 Cuddalore, 30 April 1897.

From,

M. R. Ry. C. S. Srinivasa Rao Avergal,
Chairman, Municipal Council,
Cuddalore.

To,

The Secretary to Government,
Local and Municipal Department,
Madras.

(through the Collector of South Arcot)

Sir,

With reference to para 4 clause 2 of G.O., dated 18 March 1897, No 591 Mn., I have the honor to request the sanction of Government to borrow a sum of Rs 3,000 from the New Town Hospital Funded Capital (Rs 24,000) to meet the cost of certain repairs required to the Hospital and the Lying-in ward attached to it.

2. From para 2 of my letter printed in the above G.O., it will be seen that Rs 2500 was the sum originally intended to be appropriated from the Capital for the repair of the Lying-in ward and its out houses, but as the sum of Rs 2800 sanctioned in 1896-97 for repairing the Hospital is found inadequate, a further sum of Rs 500 is required to complete certain additional repairs to the building

in

in question, hence for increasing the sum proposed to be borrowed from Rs 2500 to Rs 3000.

3. The funded Capital from which the loan is proposed to be taken was raised by Subscriptions and the amount thus collected was Rs 26,000 but Rs 2000 of this sum was expended in 1875 and a building purchased at Old Town in which a Dispensary is located. Vide G.O., No 2153, dated 4th November 1875.

4. This building, I may add for the information of Government, was the Hospital for veterans when Cuddalore was a Depôt for pensioned soldiers.

5. Owing to the damage the New Town Hospital sustained by the floods of 1884, the sanction of Government was obtained in G.O., dated 8 July 1885, No 256, for appropriating Rs 600 from the same Capital for repairing this building and this debt has, however, been paid up.

6. The loan (Rs 3000) proposed to be taken from the Hospital funded Capital which is held in stock in Promissory [illegible] by the Accountant General, [illegible] 6 yearly instalments [illegible] will be paid in

7. The [illegible] early sanction [illegible] 500 per instalment is solicited [illegible] the loan required [illegible] Government [illegible]ed in order

That

that the Lying-in Ward and the Hospital may be repaired without delay. The repairs to the latter building are being done under the supervision of the Executive Engineer.

8. I beg to enclose copy of resolution passed by the Council at their meeting held on the 24th instant relative to the supplemental estimate of Rs 500 sanctioned for the repairs of the New Town Hospital building.

I have the honor to be,
Sir,

,, M. Comaraswami Pillai Avergal
,, S. Kuppuswami Naidu Garu.

Absent Councillors.

* * *

Read letter from the District Medical and Sanitary Officer, dated 13th April 1897, No. 82, forwarding a supplemental estimate prepared under the orders of the Executive Engineer, South Arcot, amounting to Rs 500, for repairing the Male Ward of New Town Hospital.

Read also Executive Engineer's letter, dated 16th April 1897, No. 581 Do. on the same.

2. The estimate is approved. The sanction of Government will be obtained for the amount (Rs 500) being borrowed from the

New

New Town Hospital Funded Capital. As the additional repairs proposed to the Wards in question are of an urgent character and absolutely necessary to keep the building in a safe Sanitary state, the Executive Engineer will be requested to put the work in hand and Complete it as soon as possible.
