Sir/

I have the honor to enclose copy of the Resolution of the
Municipal Council dated 12th March last resolving that
their proposal to grant an increase of Rs 5/- in the salary of the
Head Master, Lower Secondary school Bimlipatam might be
resubmitted to Government for their kind & favourable
reconsideration.

The Head Master is, an F. A of fair abilities and
has also passed the Telugu Division of the last B. A. Degree
Examination in the 1st Class as Second in the Presidency.

He has had over 21 years experience in the Educational
Department. He is one of the Government school masters
transferred to the service of this Municipality along with the
Government school in 1883. At the time of transfer
his pay was Rs 40/- and it was raised to Rs 50/- in 1885, on the
recommendation of the then Director of Public Instruction who had
been quite satisfied with his work. I am sorry to say
that he has not since been given any promotion whatever.

The Council in the interests of their school resolved
that the services of Mr Appalanarayya Pantulu, the Head
Master, should not be spared for any appointments under
Government and this resolution has been working against
his interests. The Council realized his irksome position and
have been year after year proposing to give him an increase
to induce him to work with earnestness. But the Government
have been repeatedly disallowing the increase proposed by the
Council. There is every reason to suppose that the Head
Master

Master would become discouraged & discontented if he be given no promotion in this Municipality, and if he be not allowed to take up acting appointments under Government with a view to eventually securing a permanent appointment.

I fully concur with the Assistant Inspector of schools Ganjam, Vizagapatam Division in holding "that he is an Officer of long standing, that his work in the last two years was fairly satisfactory, that men of his standing are in receipt of higher salary, that he should be given encouragement in consideration of the work turned out by him, and that his pay ought to be fixed at Rs 60/-, the minimum pay of the Head Master of a First grade Middle school."

This view was fully shared in by the Director of Public Instruction who was pleased to recommend to the Council in his Endorsement No 9950 dated 10th Sept 96 forwarding Assistant Inspector's letter No 599 dated 21st August 96 that the proposed increase to the salary of the Head Master Lower Secondary school might at least be allowed if funds be not available to give full effect to all the Asst. Inspector's proposals.

The Inspector of schools examined the schools in this Municipality last month and found the work of the Head Master to be satisfactory. The Head Master is also the Superintendent of schools, and he gives much of his time to the inspection of the Primary schools in this Municipality, the condition of which was characterised by the Inspector of schools to be fair. It is to be regretted that he gets no remuneration whatever for this Extra work. I quite agree with the Inspector of schools in considering that he ought to be paid something for the services which may rightly be supposed to fall outside the circle of the legitimate duties of the Head Master of a school or in course of time he will grow cold in the performance of this extra duty. It is common justice that for increased work one ought to get increased pay. In the present condition of the Municipal finances, I feel diffident to accept in toto the Inspector's suggestion of granting the Head Master a monthly allowance of Rs 10/- for his work as Supat of schools.

The Council saw the justice of restoring the Superintendents' allowance of Rs 5/- and accordingly provided for it in the Budget for the current year; but

but the Government were not pleased to sanction it.

+ I now request that you will be so kind as to place the hard case of Mr. P. Appalanarasayya Pantulu before Government and obtain their kind sanction for the increase proposed to his pay as also for the restoration of the Superintendents' allowance of Rs 5/- with retrospective effect from 1st April Current.

+ If the Government should see no way to sanction the proposal of the Council, I beg to suggest that Mr. Appalanarasayya Pantulu should be allowed to take up Acting appointments among the Sub Assistant Inspectors or permanently taken back into Government service, so that he may better his prospects, which he cannot be expected to do so long as he remains in the Municipal service.

I have the honor to be
