Sir,

I have the honor to state that the 3rd assistant master of the municipal high school Tirupatur has put in an application for an increase of pay to the Council through the Inspector of schools Western Circle. He strongly recommends that the pay of the teacher be raised to Rs 25 per mensem. This teacher has been in the Service of this municipality for the last 7 years and the results produced have been very fair. The Educational Department has frequently remarked that the pay of the teachers in the Lower Secondary Department is poor as Compared with the teachers of other schools elsewhere and that the teachers deserve better pay. The pay of of the 2nd form teacher especially, viz the applicant has been comparatively very poor, it being Rs 20 while it is 30 and more in other places. During the discussion by the Council of the budget proposals for 97-98, the matter was considered by the Council and it was resolved to put him in charge of the 1st form on a pay of Rs 25 the average pay of the 1st form teachers in other places and raise the status of the school by introducing 2 more graduates. But owing to want of funds the Government declined to sanction the proposal and the whole proposal including the addition to the pay of the applicant fell through. The applicant urges and the Council thinks with justice that he as a teacher of the 2nd form, two classes senior to the Upper Primary Class, gets only the same pay as the Head Master of the Hindu Municipal Upper Primary School and only 2 1/2 Rs more than the 1st assistant in that school.

2. The orders of Government in G.O. dated 24-7-91 No 1152 L and dated 14-6-94 No 1094 L were also placed before the Council when this application was considered at the meeting held on the 20th

March 1897

March 1897 and the Council was of opinion that the applicant's case having been fully considered at the budget meeting and due provision having been made therein by the Council would not come under the G.O.s and has requested me to lay his case as a special case before Government and obtain its orders. I may state that the Council provided in the budget Rs 25 for the first form teacher and only this pay is recommended to the applicant teaching the 2nd form.

3. A copy of the Council's resolution passed on the subject and a proposition statement showing the present and the proposed scale of the teacher are herewith submitted.

I have the honor to be
