To,
The Secretary to the Govt

Local & Municipal Department.

Sir,

I have the honor to inform you that Cholera broke out in this Municipality in November last and lasted till April last and that 32 persons died of it. To keep the town in as sanitary a condition as possible, 2 sanitary peons and one toty on Rs 5 each were appointed in December last. Their salary till the end of last month deducting fines and stoppages amounted to Rs 53-13-10; Their services were finally dispensed with on the 1st Inst

The

The council sanctioned the appointment of a large number of toties; but as no more than two toties were available, more toties were not appointed. I request you will be good enough to obtain the sanction of Government for the appointment of the temporary establishment.

2. Connected papers on the subject are herewith submitted.

3. The delay in applying for sanction earlier was due to the fact that the number of toties available could not be determined, as toties were expected from remote places every month.

I have the honor to be
