The Secretary to Government

Local & Municipal Department

Sir,

In framing the Current
Year's Budget, the Council proposed
to increase the pay of the High
School Clerk from Rs 12/8 to Rs 15,
which is the minimum of the scale
already sanctioned (vide para 35
of the Budget Report). The Government
in para 4 (3) of its Order observes
that the proposal to fix the salary
of the High School Clerk on a
progressive scale rising by annual
increments from Rs 15 to Rs 17/8 must
be disallowed for want of
funds.

2. But the estimate & expenditure for the 2 Municipal Schools on Salary System is put down as Rs 10680 against Rs 10750 proposed, the deficit of Rs 70 which is presumably the amount (in round numbers) of the increases of Rs 5 and anna eight (8) proposed on behalf of the 3rd Assistant of the High School and the 2nd Assistant of the Primary School which are disallowed by Government. The provision for the increase in the High School Clerk's pay is, thus, apparently retained and included in the sanctioned figure - Rs 10680.

3. I have the honor to request instructions whether the provision may be utilized in raising the Clerk's pay to Rs 15 which he well deserves, leaving the question of restoring the sanctioned progressive scale to be considered when funds are available.

I have the honor to be

Sir,

Your most obedient servant,
