SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT.

SIR,

With reference to para 4(3) of G.O. No. 698, M, dated the 25th March 1897, I have the honor to state that the work of the waterman is reported to have always been heavy and has become heavier, owing to the increase in the number of in-patients. During the hot weather he has to go some distance for water. He is a willing hard-working man but is said to be getting discontented over his small pay. The District Medical & Sanitary Officer observes that it is inexpedient to have men so low paid that they leave at the first opportunity. 2. I, therefore, recommend that the small increase of rupee one may be sanctioned as originally proposed.

I have the honor to be,

Sir,

Your most obedient Servant,

C. Sibthorpe

Surgeon-Major-General

Surgeon-General

with the Govt. of Madras.
