To

The Secretary to the Government of Madras -
Local and Municipal Department

SIR,

With reference to the remarks relating to Pallaveram and Poonamallee in P.M. No. 762 AM dated 31st March last, I am desired to report as follows:—

Pallaveram The President of the Leantment Committee in this leantment states that, at the time the budget estimate was under preparation, no sum was expected under the head Quarrying for 1896-97 and 1897-98. That although tenders were invited in July 1896, no one came forward with an offer, and that it was therefore impossible to put down any specified sum.

That on the 15th December 1896, however, two tenders were accepted for Rs: 28 and 56 respectively for 3½ months ending 31st March 1897 and from April 1897, three tenders for Rs: 48, 96 and 192 for the year ending 31st March 1898.

The President further states that six acres of land for quarrying were taken up by the Military

Military Works Department and three acres
by the South Indian Railway Company free of
charge.

Poomallee. The detailed estimate
asked for is herewith forwarded.

With regard to the difference in the amount
referred to the Officer Commanding Poomallee
states that the roads in this Cantonment are in
good condition except those mentioned in the
estimate.

I have the honor to be,

Sir

Your obedient Servant
