The President's contention appears to be correct. The first three items referred to by him being special grants within the meaning of Gov. No. 1368 Financial, dated 21<sup>st</sup> June 1884 and R.O. 1979 Financial, 26<sup>th</sup> August 1884, may be excluded in calculating the net receipts. Items ~~4 and~~ 5 do not form part of the regular receipts of the Municipality although they are shown as such for account purposes, and it is but reasonable that they should also be excluded.
