Sir, With reference to your letter No. 458 dated 20th February 1897, I have the honor to enclose herewith copy of resolution of the Council on your proposal to engage a trained Sanitary Inspector on Rs. 35+15 allowance.

Doubtless after a little longer period has elapsed a more experienced man will be accepted on a higher salary. In the mean time there is considerable improvement visible by having separate the posts of Overseer and Sanitary Inspector as the latter can give undivided attention to Conservancy matters
