FOR ORDERS.

Three of the six Honorary Magistrates for Cuddapah viz: Abd-ul-Razzak Miyan Sahib, Mr. M.W. Elliot and M.R. Ry Pichayya Setti Garu, are now Municipal Councillors. If the petitioner should be successful at the ensuing election, four of the Magistrates on the Bench will be Municipal Councillors — an undesirable proportion. The maximum strength of the Cuddapah Municipal Council is sixteen.

4/6/97 H.C.

I agree that considering the proportion on the Council of members who are honorary magts, it wd be very inexpedient to declare another Hon. Magte qualified to ~~be~~ be elected.

Please see a do. from Kurnool

as the election is after 14th I cancelate this request

Vide pages 237 and 316 of the Madras Quarterly Civil List Corrected upto 1st April 1897

I consider this a case for exemption. It will not assign any change in the status quo were in question, but that the man merely seeks to maintain the position which he has occupied for a long time past & in which he would appear to have acquitted himself creditably. If there were a new candidate for the Municipal Council it would be a different matter & exemption might properly be refused

Sir Arthur Elibank Havelock,

Governor of Madras.

MAY IT PLEASE YOUR EXCELLENCY,

We, the inhabitants of Cuddapah Town, most humbly and respectfully beg to bring the following few lines to your Excellency's kind consideration.

We, Hindus as well as Mohomadens, beg to represent that Khan Bahadur H. S. A. M Munjumiah is a candidate for election as a Municipal Councillor for Ward No. III of the Cuddapah Muncipality, but unfortunately for us, he is not qualified for appointment as a Muncipal Councillor under Section 10 A of Madras District Municipalities Act Amendment Act III of 1897, owing to his being an Honorary Magistrate.

He may however be exempted by your Excellency and we therefore pray that your excellency be pleased to exempt him according to the provisions of Section 10 A of the above said Act.

Mr, Munjumiah has been 13 yearsa Muncipal Councillor 12 years a Member of the District Board, Cuddapah, 16 years an Honorary Magistrate and in 1894, Government was pleased to bestow upon him the title of Khan Bahadur.

The above duties he has gone through with conscientiouness and zeal and has accordingly earned our deep respect and thorough confidence.

We are very grateful for the severel benevolent and public spirited acts for the public good and we cannot forget his never-failing sympathy towards us when we required it ; having from dis-interested motives made us comfortable and contented without difference of caste and creed.

His non-exemption will therefore be a great misfortune to us, espicially as we have no one else to represent us inpartially on Bench as well as in Muncipal Council.

In conclusion, we beg to enclose all papers connected with his public career. Trusting that your Excellency will kindly see your way to complying with our earnest and humble request.

We beg to remain,
Your most humble and obedient,
inhabitants of Cuddapah Town,

RESPECTED SIR,

We, the undersigned inhabitants of No. 1 Mochempet Ward, beg respectfully to approach you with the following few lines for your kind consideratian.

We beg to state that ever since the Ward System came into operation you have been our Elected Councillor. We feel proud to say that we are very much thankful to you for the benefits we enjoyed during the tenure of your Councillorship. It is needless to say here, full well known as it is, the lasting good you have done and been doing towards the advancement of your fellow-beings in our as well as in other wards, without difference to caste and creed, not only in the capacity of a Councillor, but also in other *quasi-public* appointments.

We now learn with regret that the term of your Councillorship is to come to a close shortly. We also learn to our surprise and regret that, after the expiry of the period, you contemplate of taking rest for sometime giving up the idea of being a Councillor. In this connection we beg to remind you that on a former occasion (26th October 1892), when you expressed your desire of resigning the Councillorship, we petitioned the then Collector Mr. O. Wolfe Murray, requesting him to advise you not to do so and we have reason to think he has advised you accordingly.

We now earnestly beg to request that you will be pleased to stand candidate again for the Councillorship of our ward and we one and all heartily prepared to see you returned, for we are firm in our belief that our interests will not be so best looked after by others.

TO

O. WOLFE MURRAY ESQUIRE,

Collector of Cuddapah.

MOST HONOURED SIR,

We the undersigned, the residents of No. 1, Mochempett Ward, most humbly and respectfully beg to bring the following few lines to your honor's benign consideration.

It is well known to your honour that the Councillor of this Ward is Mr. H. S. A. M. Munjumiah Sahib. He has this honorary appointment in addition to many others, which are simply the result of his straightforward and assiduous character. He became a Councillor in the year 1884 or so. But from the moment he entered this Municipality and became a Ward Councillor he has been discharging his duties very satisfactorily and straightforwardly. He visits his Ward twice in a week at least, consults the needs and requirements of the residents and in fine, tries to do anything and everything which is good and condusive to us.

Such a good and straightforward Councillor, we hear with great sorrow, is going to resign his Councillorship. If what we hear is true, then not only will we be deprived of such a good and straightforward Councillor for our Ward, but also the Municipality of a jem from among the present constituents. We pray the Almighty that this never occur. In addition we humbly and respectfully request your honor to advise H. S. A. M. Munjumiah Sahib not to resign his seat in the Council as he is intending to do so, for the sake of the undersigned, for the sake of the Municipality, in fine, for the sake of the residents of Cuddapah. Since the Councillor is one who would sacrifice anything for the sake of the public, your honour's advise to him on our behalf, may prevent him from his sending forth his intended resignation.

Begging to be excused for the trouble given.

We beg to remain,
Most honoured sir,

DEAR AND RESPECTED SIR,

We, the undersigned inhabitants of No. I, Mochampett Ward, and others of Cuddapah Town, beg to represent as follows :—

We are exceedingly happy to learn that you have given up the idea of resigning your Councillorship in the local Municipal Council in obedience to the valuable advice of Mr. O. Wolfe-Murray, our popular Collector; on our representation to him on the 26th ultimo; we are extremely glad and offer our sincere and heart-felt thanks to Mr. O. Wolfe-Murray, for having expressed his desire that you should continue as a Councillor. We need not here enumerate the several benevolent and kind acts done in your public career as a Municipal Councillor, concerning public good and comfort. The water fountains constructed by you, the lamp posts fixed at your cost, the wells sunk at your expense at the time when the town suffered for want of good drinking water, your daring and plucky conduct in putting down the late fires in the town, the several committees held now and then in which you worked with the gentlemen noted in the margin,* all give patent testimony to the interest evinced by you in the welfare of your ward-people in particular, and the towns men in general

Extracts from to Presidents of Bench Magistrates one Mohomadan and the other a Hindu Gentleman dated respectively 19-3-88 and 31-1-91.

I have much pleasure in recording the valuable services rendered by Mr. Munjumiah Sahaib as one of the Honorary Mrgistrates of this town on this and on previous accasions during which I acted as town Sub-Magistrate. His large experience as a Medical practitioner—a profission followed by one and all of his ancesters—as a Muncipal Commissioner of long standing as a Secretary to the Mohomaden Association and as a Local Fund Member of the Taluk and District Boards, has been of great service to the President as well as his brother Magistrates apprise the Character and position of the parties attending the Bench Court. He was ever ready with his free and honest opinion and Judgment in the case of each and every party whether he be a Mohomaden or a Hindu. His regularity and punctuality in attendance and his conversancy with law as much as is required for his business, acquired by studying the Hindustani texts of the Indian Penal Code; Local and Special laws &c. (not being well acquainted with the English Language) set an example to his Co-Magistrates. His natural amiable and re-concilliatory character endears him to all those that have an occasion to come in contact with him. If he improves his knowledge in English he will make an able President of the Bench Magistrates in this Town.
