FEBRUARY.

Bubonic Plague.

Ordering the issue of a telegram to the Government of India regarding the steps taken for medical examination of railway passengers, and for isolation and treatment of declared and suspected cases of — in Madras.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

Telegram from the Secretary to the Government of India, Home Department, to the Secretary to the Government of Madras, Local and Municipal Department, dated Calcutta, 1st February 1897.

No. 283, Sanitary. Please wire, for information of Government of India, what steps are being taken by Madras Government for medical examination of railway passengers, and isolation and treatment of declared or suspected cases of bubonic plague.

ORDER—No. 137A M., dated 2nd February 1897.

The following telegram will be despatched to the Government of India :—

"Your telegram No. 283, Sanitary. Passengers from Bombay inspected at Perambur, suburban station of Madras City. Addresses taken and persons observed for ten days. Arrangements are complete for conveying infected persons immediately in special cart to isolation sheds for treatment by medical staff and separate hospitals are also provided. Further, at frontier stations of Adoni, Bezwada, Guntakal and Raichur, there are arrangements for inspection. Circular orders also issued requiring District Surgeons to arrange for examination and observation at all railway stations in the Presidency which are junctions or in municipal towns.

SECRETARY TO GOVERNMENT
2 FEB. 1897
LOCAL MUNICIPAL DEPARTMENT

My dear Forbes
All passengers are
inspected at Perambore and
their addresses taken, and are
kept under observation for 10 days.
There is an isolation shed
there, close to the station, to which
any suspected person will be
at once conveyed in a special
cart kept there for the purpose.
The shed is under the personal
superintendence of the District
