Enclosure.

SIR,

With reference to G.O. No. 1135 in this dated 10th May 1897, I have the honor to invite the attention of Government to the remarks contained in para 1(b) of my Inspection notes on Cocanada embodied in G.O. No. 289 in dated 25th February 1897 L & M, in which I showed that it was most desirable that in laying out sites the Chairman should have, and should abide by, professional Engineer guidance. A site incorrectly laid out is liable to become from a sanitary point of view ^{not} one whit better than a site forsaken on account of its foul and crowded condition.

I have the honor to be,
Sir,
Your most Obedient Servant,
W. King
Surgeon-Lieut. Col.
Sanitary Commissioner for Madras.
