NOTE FOR THE Secretary.

With reference to the Hon'ble Member's note on the draft order, it is submitted that there is no omission in the place marked by him on the margin of draft byelaw No 4, although the byelaw is badly worded. The drafts of the byelaws has however now been recast and, in doing so, the arrangement in the Madras District Municipalities Act IV of 1884, as amended by Act III of 1897, has been followed as far as possible.

V.R.
15/5/97

K.M.

These byelaws have now been thoroughly revised & recast and may issue with the original draft order. The byelaws have been republished and for one month before confirmation.

S. P. 10/8/97

I don't find any provision for the amendment of byelaws framed & submitted by the M. Coms - apparently the byelaws as recast must be sent back to the Coms for adoption by them.

K.M.
4/6/97

The making of these byelaws comes under Sec 378 & not under Sec. 413. Under the latter, which is the general section, are those made by the Coms but shall not "have effect until the same are confirmed by the Govt." The byelaws made under Sec 378 are "those made by the Coms approved by Govt."

Approval as contrasted with
 confirmation seems to indicate
 that the pt may revise
 before issue. But however
 this may be it will be
 safest to return the
 bylaws as revised & say
 that if the Council accept
 them as revised they shd
 be published under S. 465
 & resubmitted for confirmation.
