Read again letter to the Government of India, Department of Finance and Commerce, No.780, dated 16th November 1896:-

I am directed to request that the orders of the Government of India may be obtained in the case referred to below.

2. In July last M.R.R.V. Venkatapati Nayudu, Assistant Inspector of Local Fund Accounts, was appointed to act as Revenue officer of the Madras Municipality during the absence of the permanent incumbent on three months' privilege leave and his salary was fixed by this Government at Rs. 350 per mensem under section 46 of Act I of 1884, as amended by section 23 of Act II of 1892. The Accountant-General contends that as the appointment of M.R.R.V. Venkatapati Nayudu as Acting Revenue officer involves his transfer to foreign service of the first kind, as defined in article 802 of the Civil Service Regulations, the case falls under article 806 (IV)(2), and that the local Government should, for the purpose of calculating the acting incumbent's allowance, fix the pay of the Revenue officer subject to the confirmation of the Government of India, as there is no post in British Service similar to that of Revenue officer of the Madras Municipality. I am however to observe that there is nothing in the Civil Service Regulations prohibiting this Government from stating what the pay ordinarily allowed for similar services in

British Service would be, and that the construction placed by the Accountant-General on clause (IV)(2) of article 806 appears to be somewhat strained. Under clause (IV) of this article the Local Government can apparently fix the remuneration in the present case and this has been done. The Accountant-General however considers that the confirmation of the Government of India is required and this reference is therefore made, as requested by him.

Read also the following:-

From the Government of India, Finance and Commerce Department, No. 5399-P, dated 22nd December 1896:-

I am directed to acknowledge the receipt of your letter No. 780, dated 16th November 1896, and in reply to say that the confirmation of the Government of India is not required in cases of foreign service of the first kind in which the remuneration of an officer has been fixed by the Local Government under clause IV(2) of article 806 of the Civil Service Regulations.
