SIR,

I have the honor to submit for the orders of the Government a resolution of the Municipal Council passed at their meeting held on the 4th February last sanctioning the payment of one year's pay - Rs 240. Rupees Two hundred and forty only - as gratuity to Sanitary Inspector Tholasi Nayudu who was retired from the 1st March 1896 as being much too old and unfit for active duty and his further retention in Service was not to the advantage of the Municipality.

2. This man entered the Municipal Service in November 1866. He first served as a Coll. Collect on Rs 10. per mensem for one year, then as an Asst. Sanitary Inspector on the same pay for nearly

2. The services of the applicant
were dispensed with on the
ground that he was too old and
unfit for active duty. He was,
on two occasions, fined for
neglect of duty and let off
without punishment for giving
while in service, false information
which was made out against
him after retirement. In
these circumstances, I doubt
whether he has put in such
a good service to Municipality
that would entitle him to
gratuity as recommended
by the Council.
