As the Jubilee Park at Vijayapur on which the Municipal Council had spent some Rs 14,700 from 1888 to 1894 was considered to be a costly luxury, the Government declined to sanction any further expenditure from municipal funds for the completion of the compound wall. In para. 4(5) of go. no 288 m. dated 26<sup>th</sup> February 1895, the allotment of Rs 360, which the Council provided in the Budget for this wall was struck out with the remark that the park could be cheaply enclosed by a live fence and that the Council should husband its resources in every way possible in order to meet the cost of a drainage scheme. In para. 47 of the administration report for 1894-95, the Chairman represented to Government that a
