The app^t of Mr Kelly who is

reason, among others, why the
 Mr. C. should, now that they can,
 raise more money. The maintenance
 in both of our good boys' schools
 would be a powerful factor in attracting
 to the place people who have sons & daugh-
 ters whom they do not wish, or are
 unable, to send to Europe for the purpose;
 and would therefore be a benefit to all
 classes in the town. The point should be
 kept in mind in considering Mr. Pe-
 renne's letter about the present
 constitution of the M.C. & its unwillingness
 to raise more money under the new Act.

Porello Memorial School
ootacamund May 11th 1897.

Dear Mr. Hannett,

I return the endorsement of the Inspector
of Schools W.C. no. 1769 of 22.3.97.

All I have to say on the matter is that
in accordance with the Director's Proceedings
no. 8349 4.8.96 the Trustees of the School instructed me
to advertise for an European or Eurasian-School or
Mathematical Graduate in Rs 100. and that after
the advertisement had been inserted in several
of the leading papers for a period of about 3 or 4
months, no suitable application was received.
In December last the Trustees, feeling that some
appointment must be made as the School was
under mastership, offered the post to Mr. D. H. Kelly.
I might add that an application to the
Principal of the Brahm's College, Saidapet, resulted
in a reply that no such master as the School
required was known to him. Mr. Edge informs
me that he found it impossible to write
to the Director about Mr. Brown ~~W.C.~~
~~W.C.~~ or Mr. Kelly semi-officially as he was
asked by the Trustees to do, and that Mr. Wright
agreed with him that the matter had better
be deferred.

Yours
L. B. Hodgson.

PUBLIC INSTRUCTION

MADRAS

Sir,

As requested in your letter no. 507
dated the 10th May 1897, I have the honor to
enclose a copy of L. O. no. 73 of 11. 11. 1896, dated 21st
January 1897 which appears, from the copy sent
to me, to have been communicated to you.

I entirely agree in the views expressed
by Mr. Logan regarding Mr. H. Kelly, and I enclose
copy of L. O. from Mr. Hodgson the Head Master,
explaining the difficulty in obtaining a suitable man.

Mr. Hodgson and the Chaplain, one
of the Trustees, say that none but a European or
an Eurasian Teacher can manage the boys who
come to the school. To secure such a teacher,
with the necessary qualifications, a higher salary
will have to be given.

I have the honor to be

Sir,

Your most obedient
