Note

The total cost of the establishment
of the hospital is now Rs 444 per annum,
of which one third or a sum of Rs 148 is
paid by the District Board and the remainder,
viz. Rs 296, by the Municipality. The present
proposal will raise the cost to Rs 1044, but
of this the District Board has consented to
pay one half, leaving Rs 522 to be met by
the Municipality. The additional cost to the
Municipality on account of this proposal will
therefore be (Rs 522 - Rs 296) or only Rs 226.
The estimated balance at the end of 1897-98 is
Rs 3490 or 7.9 per cent of the receipts.
