SUBJECT.

Application for gratuity to A. Mun
-swami Nayudu, late Compounder,
Munl. hospital, Periyakulam

FOR ORDERS.

The current read above, is an application for the payment of a gratuity of Rs. 90 or six months salary to one A. Muniswami Nayadu, late compounder attached to the Municipal Hospital at Periyakulam. The applicant has put in a service of twenty years, five months and twenty eight days, of which a period of twelve years four months and ~~nine~~teen days was under the District Board of Madura, and the remainder under the Municipal Council of Periyakulam. He was originally employed in the Local Fund Hospital at Periyakulam, but when on the 1st April 1886, this institution was taken over by the Municipal Council of Periyakulam, the town having then been constituted a Municipality, the services of the Compounder were also transferred to the Municipality. ~~He~~ seems, however,

P.T.O.

to have been subsequently employed in the Local Fund Dispensary at Kodaikanal from 11th june 1887 to 4th july 1888, when he again joined the Municipal service. It will be seen that although the applicant has rendered a total service of over twenty years under the District Board of Madura and the Municipal Council of Periyakulam jointly, yet his service under each of these local bodies separately is less than twenty years, and it is doubtful whether, having regard to the rule laid down in G.O. no. ×343 L dated 16th February 1893, he is entitled to any gratuity. He is, however, reported to have rendered satisfactory and faithful service and the District Board of Madura and the Periyakulam Municipal Council are prepared to contribute rateably towards the proposed gratuity, which may therefore be sanctioned as a special case.

2. The Accountant-General points out that as the applicant had three months' privilege leave on the eve of retirement and retired at the expiration of this leave without rejoining his appointment, the grant

grant of leave allowances for the period in question was opposed to Art. 296 of the Civil Service Regulations. In his letter to the Accountant General dated 17th March 97, the Chairman, while admitting this fact states "that the Three months' salary should not be deducted from the amount of gratuity recommended, as an order was sent to him (the compounder) from the Municipal office at the instance of the District Medical and Sanitary Officer, to the effect that his further services were not required" A copy of the orders referred to has not been sent up and from the statement in the Chairman's letter that it was to the effect that the further services of the applicant were not required, it is doubtful, whether the man was permitted to retire or

by the District Surgeon and by the Superintendant of the Opthalmic Hospital, Madras, to be unfit for further service, it was apparently intended to be a permission to retire. As the grant of leave allowances for the three months during which the compounder was on privilege leave is inadmissible under Art. 296 of the Civil Service Regulations, this amount should be recovered from the gratuity paid to him, if sanctioned by Government.

I consider Munisamy Naidu to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of loss of sight due to a long standing chronic affection of both eyes.

With reference to your letter No A.D.K./489 dated 22-1-97 — returning the Application for gratuity on behalf of Muniswami naidu the late Compounder of the Municipal Hospital Periyakulam. I have the honor to state as follows:-

(1) Medical certificate was not granted by the District Medical & Sanitary Officer before the Compounder retired, as he informed this office in a letter that the Compounder was unfit for further service. This office was not aware that a certificate in the proper form was necessary until it was

advised by the [illegible] (2) rector of Local Fund Accounts some time back.

(2) The history of service is re-written in a separate form in the light of instructions given.

(3) It will not be useful to mak the entries in the service book contin so as to correspond compared with those in the pension Application (Page 2) as it is not now possible to get the new entries attested by so many officers who ~~known~~ have signed the register and verified the entries in it for several periods.

(4) The Compounder has not rejoined his appointment after the expiry of 3 months' privilege leave granted to him from 3rd March 1895. The three months' salary should not be deducted from the amount of gratuity recommended, as an order was sent to him from the Municipal office at the instance of the District Medical and Sanitary Officer to the effect that his further services were not required. It was not the mistake of the Compounder not to rejoin his re-appointment. This office was not aware that the salar of the Compounder for the 3 mont in question should be passed, if he rejoined his appointment a was in service at least for a day m

He had the privilege of the gradation of salary according to the period of service, sanctioned by Government for the Municipal & Local Fund Compaunders in the Madras Presidency.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The appointment of Compounder is not one declared to be pensionable under the Local Fund rules. Consequently the applicant is not entitled to any pension or gratuity. But in consideration of his Service of upwards of 20 years and with reference to the rules contained in 81(b) of the Local Fund rules and G.O 343 L dated the 16 February 1893, Local and Municipal Department, it is for Government to determine whether any and if so, what amount of gratuity should be sanctioned to him. The case is similar to the one submitted with this office report No $\frac{ADJ}{409}$ dated 10 October 1896. G.O. 2038 L 30-10-96

From the History of Service recorded in the 2 page of the application the applicant appears to have enjoyed three months Privilege leave from 3 March 1895, and to have retired at its expiration without rejoining his appointment. The grant of leave allowance for the period in question would be opposed to Article 296 of the Civil Service Regulations.
