NELLORE MUNICIPAL OFFICE,

Dated 4 May 1897

Enc. two only

From Mr. Pardhasaradhi Naidu Garu
Deputy
Chairman Municipal Council,
Nellore.

To

The Secretary to Government,
Local and Municipal Department,
Madras.

Sir,

Through,

The Director of Public Instruction,
Madras.

Sir,

There were formerly 2 teachers in the
Municipal School at Rabobpett. As
the school had not been doing well it was
proposed to work it with one teacher on 7
from 1 April 1896 and this proposal was
sanctioned by Government vide G. O.
dated 23rd January 1896 No. 129 M.

2. There being 4 results schools in that
part of the town and the children of the
merchant classes mostly resorting to these
schools

Schools, the Municipal School could not show any improvement worth its continuance there.

3. The assistant Inspector of Schools therefore recommended its abolition and with the savings thus effected, he proposed to raise the Mulapett School to Upper Primary Grade with another teacher on Rs 12 a month as it is well attended and is doing good work. There would be a saving of Rs 11 a month by the closing of the Nabobpett School, Rs 7 under fixed payments and Rs 4 under Contingencies and the additional cost would therefore be only one Rupee a month.

Its attendance on 31st March 1896 was 70, while on 31st March 1897 it was only 52.

4. I have the honor to request that the sanction of Government may be obtained for the same with effect from 16th June 1897.

5. The Council's resolution on the subject and the usual proposition statement are herewith submitted.

I have the honor to be

SIR,

In reference to your letter.

No 544

to continue Sadasiva Rao, as Super-

is inspecting
Schoolmaster

visor, though on reduced pay from what
is sanctioned in the budget, would be
ignoring the recommendations of the
authorities concerned as finally approved
by Government. I should recommend

therefore his relegation to the Mulapet
School in the manner proposed in my
last letter.

2. The Mulapet School is also
expected to improve in strength and.

Efficiency by the arrangement proposed.

Its nearness to the Ft. Cui High School is no question for consideration, as the latter

is an English school and the fees levied therein in the H. P. Standard are almost

prohibiting high for poor people.

The municipal school would be ver-

naacular school with English taught only

As an optional subject and I think

it should work up to the full upper

primary standard.

3. If you decide on a materi-

culate supervisor, I beg to recommend

for the appointment one Mauciah whose

application is enclosed.

Sir,

In reference to your letter to 544
of 8.3.97^{*} and before looking out^{for} a Telugu
trained matriculate for the appointment,
I beg to enquire what you propose to
do with the existing incumbent, Sadashiva
Rao. He seems to have been appointed
ad pro tem to be confirmed on his under
going training and passing for a
teacher's Certificate. Training he has
undergone, and he has all but passed
for a teacher's Certificate having only to
pass in the practical test. From

The closed copies of the correspondence in regard
to him which he has submitted true and
in which I request you will have verified
with the records of your office, I am afraid
it would be hard treatment accorded
to him if he should thus be summarily
replaced by another.

2. There is one way of getting
out of the difficulty; and that is by raising
the mulapet school to the status of an
upper Primary School and putting Sada
Sua Rao at the head of it on Rs 12 +
Remet Stipend. The mulapet school is
strong and sufficiently developed to be
raised to the upper Primary Grade. I
propose to meet this additional ex-
penditure of Rs 12 out of the provision
made for the Nabobpet school (Rs 7 of fixed
pay + remet Stipend + horse rent +
contingencies Rs 1) which I propose
to abolish. The school has not been

doing well for a long time and its ill-fortune is
not I think due so much to the incapacity
where it is. The educational wants of this locality
of the teacher as to the nature of the locality are
already well met by 4 schools and the
necessity of ^{continuing} containing a poorly attended
municipal school in their midst is not
apparent. The school, if closed, would
set free Rs 11 of provision a month and
for the remaining one Rupee it may be
met by withholding the increase to the
present. 2nd master of the mulapet school
or the Hindustani teacher of the Rang-
nayakulapet school.

3. The Sub Assistant Des. Pector,
will be instructed to nominate the pre-
sent teacher of the Nabobpet school to
a Board School mastership when any
opportunity should occur.

4. On receipt of your decision
on this reference, I shall, if necessary,

Recommended a competent nat-
ariculate for the appointment
