To The Collector of Tanjore

Sir,
I have the honour to report for your
information that I have completed the
valuation and Assessment of houses

North	III
and	
South	I

in the marginally noted
divisions of the Kumbako-
nam Municipality and

am now proceeding with the work in
South II Division. Two more divisions—
North IV and South III remain yet to be
taken up and I hope to finish South II
and the two divisions named Rupra by
the end of next month.

2. The general notice of revision contemplated by Section 69 of the Municipal Act has been published both in the District Gazette and in the Town in respect of North I and North II and North III Divisions. The special notices also required by the same section have been issued complete for two divisions - North I and North II - and for nearly one half of the next division - North III. I have posted 100 objection petitions for disposal every day from the 28th Instant. I am not in a position to estimate accurately at present the amount of time that will have to be spent over hearing and disposing of the objection petitions alluded to above as the first

batch has to be taken up only on the 28th Instant. I could then alone form an idea of the magnitude of the work. I think that on a rough calculation it will take 2 months more to finish the work of revision of house-tax in this Municipality. The temporary Establishment sanctioned in Government Order No. 855 M. Mis. dated 9th April 1897 will have to be retained till then. My Head Clerk C. Muthuswami Aiyar joined his duties here on the forenoon of the 4th April 1897 and by the 4th Proximo, the period of 3 months for which his services were lent to this Municipality in Board's Proceedings No. 1590 M. Mis. dated 3rd May 1897 will expire. I request that the
