The Civil apothecary reports that he finds it very inconvenient to attend on the female in-patients without a female ward Cooly, and the District Medical and Sanitary Officer, Salem, is also of opinion that a female ward Cooly is indispensably necessary as the midwife attached to the Hospital is not always available for such work. When the matter was placed before the Council, it resolved to entertain a female ward Cooly on a pay of Rs 5 per mensem from the Savings under establishment in accordance with the recommendation of the District Medical and Sanitary Officer. I request therefore that you will be so good as to obtain
