SIR,

With reference to Proceedings of Madras Government No. 762 A.M. dated 31 March 1897, I am desired to forward herewith copies of the marginally noted reports with regard to the points noticed by Government in connection with the Budget Estimates of Pannanore, Quilon, Trichinopoly and Wellington for the current year.

Copy of a letter No. 85-B

dated 19th May 1897.

from Captain W. F. Corbett Commanding Cannanore
to The Assistant Adjutant General Sir. Dickson
Wellington

With reference to your No. 1824-B Df 7th May 1897
Endorsed on G.O. No 762 A.M. of 31st March 1897
(Cantonment Budget) for 1897-98, calling for a report
on the points noted by the Government therein.

I have the honor to report as follows

1st. With reference to developing the income of the
Cantonment, which is derived from only three
sources, viz. I Sale of grazing of the maidan,
II Sale of fruit-trees III Sale of wood derived from
trees that fall in the Cantonment.

It has been the habit, to replace fallen
trees, by planting Banyan trees in their place,
this practice will be discontinued and for the
future fruit-trees, such as jack fruit and mangoes,
will be planted in their place, which will
eventually increase the income, this is the
only way that I can suggest of developing the
income of the Cantonment.

2 With reference to the reduction of the expenditure,

9 JUN. 1897

I have ordered that the following reductions be made, I that the digging of the filth pits at Karkot, be given out on contract for Rupees 8 per mensem, which will reduce the establishment by 2 coolies who at present draw 12 Rs per month, this will be a saving of 48 Rs per annum

II That the present road mistry who draws 12 Rs per month, be done away with, and replaced by a pensioned native soldier on 8 Rs per mensem, which will also be a saving of Rs 48.

III That when the repairs of the roads are complete to again reduce the Establishment by 2 more coolies if possible without prejudice to the Cantonment.

3. The reason why so large a grant was Budgetted for this year, is, that it is nearly 2 years since the Cantonment roads were repaired (about 2 1/2 miles) owing to no funds being available, the grazing contract for 1896 having fallen below its usual price hence they will have to be repaired this year.

I have &c.

Copy of a telegram No. 406

dated 21st May 1897

from The Officer Commanding, Quilon,
to The Sd. G. Southern District, Wellington.

With reference to your endorsement
No: 1825 dated 7th instant on G.O. No: 762nd
dated 31st March 1897, I have the honor to
report that as the Conservancy of this station
has been handed over to the 24th Madras In-
-fantry, the work being purely regimental,
and the rewards for killing snakes having
been cancelled from 1st June, as an experi-
-mental measure, it is considered that
the Cantonment will in future be self
supporting and will not require any aid
from Government. Should it be found
that venomous snakes increase to any ap-
-preciable extent in the next six months
a further communication will be sent
to you on this subject.

Letter
Copy of a telegram No. 662

dated 12th May 1897

from the Officer Commanding Trichinopoly
to the A. & G. Southern District, Wellington

With reference to your endorsement
No: 1826-B of the 7th instant, forwarding No:
No: 762 A.M. of 31.3.97. with the remarks of
Government on the Budget Estimate of the
Mauzement of Trichinopoly for 1897-98, I
have the honor to report that in compliance
with the views of Government, the garden
rentals which was raised to Rs 30 a report.
ed in this office, No: 71 of the 18th January
1896 was again increased to Rs 35 per year
from 1896-97.

It is regretted that the development
towards the revenue by rentals of grazing
lands was hampered, in the previous year,
by the failure of timely rain which render-
ed the lands quite barren till about
the end of December and the grass
which germinated subsequently not having
been sufficient to allow the grazing for
a longer period, the right of grazing

had to be sold in 1896-97 for the reduced
sum of Rs 20/- against Rs 34-8-0 collected
for 1895-96.

Every endeavour will be
made to enhance the revenues under the
two heads enumerated above, and which
are the only sources of income in this
Cantonment. It is however hoped to in-
crease the revenues and render the Fund
"self supporting" as far as possible, by
way of fees, fines &c, should the Cantonment
act as ordered in Government of India
letter no. 1417 C of 3^d August 1896 be
brought into force in this Cantonment.

With reference to Govt. Order no. 672a
dated 31st March 1897 forwarded under you
encl: no. 1823-B Df 7 May 1897, I have the honor
to submit the following report:—

The increase in the Budget Estimate
of the current year under the head "Con-
servancy Contingencies" is due to an extra
cart being employed in the Bazaar for
the purpose of removing the night soil to
a place at a distance of 4 furlongs from
the Bazaar, as the land hitherto used for
the purpose being required for the pro-
posed Railway line; and 2 extra Coolies
for sanitation work.

Careful attention will be paid
in the supervision of "Public Works"
Maintenance & Repairs and all prac-
ticable reductions made as far as possible.
