Sir;

I have the honor to submit copies of a resolution of the Palghat Municipal Council requesting that it may be given the privilege of electing its Chairman, and of a minute of dissent submitted by three of the Councillors.

2. The chairman and the dissentient Councillors attribute the request of the Council to faction. They point out that one of the spokesmen of the Council is the brother in law of the editor of the "Malabar and Travancore Spectator." An attack on the chairman was recently published in this paper. The editor was prosecuted before the Head Assistant Magistrate, and convicted of defamation. The conviction was upheld by the Sessions Court and High Court.

3. [illegible] pointed out that the C[illegible]

who Constitutes the majority are belong to the Same Caste, with the exception of the gentleman mentioned in the last para.

4. The present Chairman has done extremely good work. The majority of the Councillors — admitted this, as I am informed by the late Head Assistant Collector, who was present at the meeting of the 7th October. They said that they were only Contending for the principle, and that they would certainly elect the present Chairman if the privilege of election were accorded to them.

5 The assertion of the principle may well be postponed until the present — dissensions are healed. I would recommend that we Should leave well alone.

Sir,

I have the honour to submit herewith two resolutions of the municipal Council dated 7th & 30th October 1896 and the municipal Council's letter referred to in the resolutions for orders of Government.

3. I have been a Councillor of this municipality for many years, and as Councillor I had taken part in the discussion of this question, when, in June 1888, it first came before the municipal Council, which was then presided over by the ex-officio Chairman, the present Collector of the District. I have also been, and am still, of opinion that the privilege now sought for is quite unsuited to a peculiarly constituted municipal Council of the Palghat municipality. I beg also to invite your attention to letter dated 29th February 1892, No. 17 m.D read in G.O. dated 24th March 1892, No. 577 m. mis in which, I have no doubt Mr. Dunnergue the then Collector of Malabar expressed his opinion against the granting of this privilege to the Palghat municipality. I would further invite your attention to para 4 of the remarks of the Collector (Mr Bradley) read in G.O. No. 1651 m. dated 10th October 1892.

4. With regard to para 6 of the Council's letter, I beg to observe that the late Head Clerk's case was not a point at issue before the Head Assistant Magistrate, Malabar and that my letter to Government dated 16th June 1894, No. A/2, upon which Mr Bradley, the then Collector made his remarks, and the Government passed its order, No. 1030. m. mis dated 6th August 1894, was not an exhibit in the case before the Head

Assistant magistrate, as my communication under reference, having been marked "confidential," could not be filed. I may also mention that the Head Assistant magistrate's decision does not go into the question (1) whether or not the order of Government was justifiable, & (2) whether or not there was a faction in the Council, although the magistrate at one place says that "it (the case of Vythinatha "Aiyar the late Head Clerk of the municipality) "nice very nearly brought about a crisis in matters "municipal in Palghat, for there is little doubt "that very many, if not the majority of the "Councillors disapproved of the Chairman's "action in reference to Vythinatha Aiyar."

To

Through

The Collector of Malabar
Calicut.

May it please your Excellency.

In forwarding herewith for the favourable consideration of your Excellency in Council, the resolution of our Council dated 7th October 1896 - viz "That the Government be prayed that they may be pleased to accord to us the privilege of electing our own Chairman", we beg leave to lay before your Excellency the following facts:-

1. The Government were pleased to Constitute Palghat a municipality in 1866. The Councillors were at first nominated

by Government, and the System of nomination of Councillors continued for a period of over 16 years, till 1883, when the then Government bestowed on the inhabitants of this town the privilege of electing their own Councillors; and from that time to this day, 15 elected and 5 nominated Councillors, with one of the latter as nominated Chairman have carried on the administration of the municipality.

2. As will be seen from the marginally noted figures, the electors of our municipality have begun clearly to understand the value of the privilege conferred on them, and in returning members

to the Council, have been acting with a fuller sense of responsibility year after year, which has resulted in a steady improvement in the personnel of the Council. We have now in the Council among the elected Councillors, five graduates and many other educated gentlemen.

3. In point of population our municipality stands 15th and in point of income 8th in the Presidency; and of the 57 municipalities in the Presidency 36 enjoy the privilege we seek for.

4. On Sanitation, Education, and Collection of revenue, our municipality has been bestowing its best attention, and the administration reports for the past years will show that this Council has not been behind many other munici-

palities, which now enjoy the privilege we seek.

5. The Council begs leave to point out that the privilege now sought for, was offered to this municipality in 1888 through the Council of the time did not avail itself of the same.

6. We venture to refer to G.O. 1030 dated 6th August 1894 as containing one unfavourable observation about the existence of a faction in our Council. With reference to this, we beg to invite your Excellency's attention to a subsequent unanimous resolution of the Council dated 21st November 1894 denying the existence of any faction. Though, with regret, we have to mention that the Government refused to withdraw their

remarks, the matter that evoked the G.O. was, we beg to add, the subject of a thorough judicial enquiry, and the 8th para of the judgment thereon in Calendar Case No. 95 of 1895, on the file of the Head Assistant Magistrate of Palghat, finds the action of the Council reasonable.

In conclusion the Council most respectfully pray, that your Excellency's Government may, in its noble policy of encouraging local self Government in all legitimate ways, be pleased to grant to our Council this concession.

Thro'

The Collector of Malabar.

Sir,

With reference to the letter of a majority of the members of the Municipal Council, Palghat, praying His Excellency the Governor in Council for the privilege of electing its own Chairman, we, the undersigned members of the Council, beg to bring the following facts to the notice of the Government in the hope and belief that due regard and attention will be accorded to them in considering its

5/3302 do 96

claim to this privilege. In submitting the actual exciting state of things in, and around, our Municipal Council, we wish it to be expressly understood that nothing is farther and more remote from our desire and intention than to malign or offend our Brahmin brethren in any way. We only desire to point out that there is a very great predominance of the Brahmin members in the Palghat Municipal Council, that the influence of the Brahmin majority can only be neutralized if a non-Brahmin is the Chairman, and that, under the special circumstances of the Palghat Municipal Council, it will be beneficial to continue the present system of nominating the Chairman of this Municipality. As at present constituted, the Council consists of 20 members, no less than 12 of whom are Brahmins, permanently residing within

the Municipality.

2. Before proceeding further it would be desirable to subjoin a list showing the names and designations of the members of the Council as it stood on the dates of the resolutions that has led to the letter under reference. The names and designations of the members are as following:—

1. A. L. Vibert Esqre. Head Assistant Collector & ex-officio Member.
2. J. B. M. Cardozo Esqre. Assistant Superintendent of Police & nominated Member.
3. H. M. Barrow Esqre. — Principal Victoria College & nominated Member.
4. M. R. Ry. P. I. Chinnadawny Pillay Avl. — Chairman & nominated Member.
5. " Govind Singh Avl. — Asst. Surgeon & elected Member.
6. " Raman Nayar Avl. — B. A. B. L. High Court Vakil and elected Member.
7. " Krishnan Nayar Avl. — Adhikari and elected Member.

5. " Subbarama Ayar Avl. Do. Do.
6. " Mahadeva Ayar Avl. - Do. Do.
7. " Krishna Ayar Avl. - Do Do.
8. " Parameswara Ayar Avl. - School Master & elected Member.
9. " Sami Pattar Avl. - Retired Stamp Vendor & elected Member
10. " K.P. Achutha Menon Avl. - Pleader & elected Member.

Members Absent.

1. Lekshmiarayana Ayar Avl. - Sub Asst Inspector of Schools and nominated Member.
2. Veeraraghavan Pattar Avl. Land holder & elected Member

Of these members, all except the Sub Assistant Inspector of Schools and Veeraraghavan Pattar Avl, were present at the meeting at

which the resolution in question came to be passed. From the above list it is evident that the Brahmin element predominates in the Council. It is at the same time worthy of remark that certain sections of the community such as the Mahomedans, the Kammalers, and Eluvers &c are absolutely unrepresented in the Council. This undue predominance of the Brahmin element, and the absolute non-representation of certain sections of the community are, we believe, the outcome of the peculiar constitution of the existing Wards. The Wards, we regret to observe, appear to have been so arranged as to render it practically impossible for non-Brahmin candidates to get elected in most of them.

3. It has been a long cherished object of the Brahmins, both in the Council and outside it, to have one of their own community as Chairman of the Municipality. They first evinced this desire on their part 5 years ago when G.W. Dance Esqre, then Head Assistant

Collector and Chairman, delegated the functions (of the Chairman), as a temporary measure, to M.R.Ry O.S. Chinnasawmy Pillay Avergal. If they did not show this before, it was because the Head Assistant Collector was the Chairman. The letter and the resolution under reference are only an indirect attempt on the part of the Brahmin members to get rid of the non-Brahmin Chairman, and have in his stead one of themselves. They are conscious of their strength in the Council, and know very well on whom the choice would fall, should the Chairman be made elective. The circumstances, under which this very resolution came to be moved and carried, give us a clear forecast of the line of action contemplated by them.

4. Of the seventeen members present at the meeting, eight were non-Brahmins, three of them being Europeans. We have already indicated that the Brahmins form a powerful majority in the Council, and can carry any resolution they want. The present is an apt illustration of this.

The nine Brahmin members as a body supported the measure, while seven out of the eight non-Brahmins voted against it. Their chief ground of opposition was the fear of abuse of the privilege if granted by Government. The only non-Brahmin member who sided with the Brahmins had every motive for doing so. He is the brother-in-law of the Editor of the Malabar and Travancore Spectator, whose conviction was but recently brought about by the Chairman. He is, further, not a native of the place, and has very little to lose by his change of attitude. He has of late become an enemy of the Chairman, and very unfriendly towards the non-Brahmins generally. He and the Editor would risk anything if they could thereby get the Chairman ousted from the office. The repeated assurance of the supporters of the proposition during the debate in question that even in exercise of the elective privilege claimed they would elect none but M.R.Ry Chinnasawmy Pillay Avargal is a sure indication of the enormous anxiety on their part to secure the privilege by warding off opposition from the non-Brahmin

members. While we fully agree in their remarks about Mr. Chinnasammy Pillay's abilities as a Chairman, we have reasons to believe that they were then thrown out as a bait to lull and quiet opposition on our part. Their remarks, if accepted as sincere and bona fide, would clearly establish the absolute want of necessity for the privilege claimed by them.

5. There has been a good deal of party spirit, both in the Council and outside it. Every responsible officer that has had some experience of the place has been deeply impressed with the existence of strong party spirit in Palghat. Proof of the existence of this party spirit may be found in the following instances:-

1) In 1891 the Council (by which we mean the powerful majority of the Brahmin members), apparently professing to act upon a petition purporting to have been signed by a few Brahmins, got a special Committee composed solely of Brahmin members appointed for the purpose of considering the expediency of conserving the whole course of the Kalpathy River within the Municipal limits, and the Committee of course found it expedient, nay, necessary, to conserve the river by

declaring it accessible to Brahmins alone, assigning a few dirty isolated and unfrequented quarters to the other classes. The matter having come before the Council, they thought fit to adopt the Committee's report in its entirety. It was however not immediately carried out by the Offg: Chairman who considered it illegal on the face of it, and would not do anything in the matter, unless he heard from Government on the subject. He accordingly addressed the Government on the matter, but the Council, having reasons to apprehend a severe reprimand from the latter, wisely cancelled the original resolution. The Government however did not refrain from expressing its views on the matter and passed a G.O. accordingly (Vide G.O no. 582. m. mis dated 24. March 92 and the papers relating to the same). We need hardly say here that, if only the Chairman had been a non-official Brahmin, the resolution would have been promptly put into operation, thereby causing immense trouble and inconvenience to a large number of people.

2). A Vythinatha Aiyan, late Head Clerk of the Municipal office and a Brahmin as the name indicates, having been found unfit

members. While we fully agree in their remarks about Mr. Chinnasammy Pillay's abilities as a Chairman, we have reasons to believe that they were then thrown out as a bait to lull and quiet opposition on our part. Their remarks, if accepted as sincere and bona fide, would clearly establish the absolute want of necessity for the privilege claimed by them.

2). A Vythinatha Aiyan, late Head Clerk of the Municipal office and a Brahmin as the name indicates, having been found unfit

is constrained to remark that this incident raises grave doubts as to whether the Palghat Municipal Council is fitted to enjoy its elective privileges." The Council very bitterly resented this well-merited censure by Government, and was at great pains to induce Government to withdraw their remarks; but the Government in its order no: 164, dated 5th February 95 observed that it saw no reason to withdraw the remarks to which the Council took exception.

(3). In the year 1888, some Brahmin members of the Council, in conjunction with their brethren outside it, appear to have presented a memorial to the Director of Public Instruction asking for the speedy supercession of the late Mr. Elsworthy, the worthy Head Master of the Palghat High School, for ~~the~~ alleged mental and physical incapacity. The memorial was forwarded by the Inspector of Schools to G. W. Danee Esqre, who was then Head Asstt.

Collector and Chairman, for enquiry and report. G. W. Dance Esqre instituted an enquiry into the matter and found as a fact that some signatures to the memorial had been partly forged, and partly obtained by false representations. On receiving the report of G. W. Dance Esqre, the Director passed the following order on the memorial:—

"No reply will be made to the memorialists in view of the facts that the "promoters of the memorial have disgraced themselves by obtaining signatures by misrepresentation and "allowing forged names to appear "in the list."

Now the attitude of the Brahmin community towards the Brahmin Head Clerk and the non-Brahmin Head Master presents, indeed, a strange contrast.

(4) In 1894, a Nayar graduate and pleader of the local Bar happened to compete with an uneducated Brahmin, who was till recently a Stamp Vandor, at

at a Municipal election. The Brahmin Stamp Vendor was returned to the Council in preference to the non-Brahmin graduate. This very well shows how the elective privilege, already conferred upon the Municipality, has been exercised, and is likely to be exercised, by the voting public.

Instances of this kind might be multiplied, but we believe we have given enough to enable the Government to form a correct impression of the Council, and its working as at present constituted.

6. In view of the circumstances above set forth we would venture to request the Government (a) not to grant the privilege of electing its own Chairman to the Palghat Municipal Council, (b) to reserve this power to Government itself as has hitherto been the case, (c) in the event of present system of nomination being found unsatisfactory, to appoint the Head Assistant Collector for the time being ex-officio Chairman as was the practice in this very Municipality until the present Chairman came to be appointed by Government, (d) to order a revision of the constitution of the several Wards of the Municipality so as to

afford equal access to the various sections of the community in the matter of election and (e), should this not be found feasible, to reduce the number of elective seats from three-fourths to one half of the maximum strength of the Council so as to secure a fair distribution of seats among Brahmins and non-Brahmins.
