2. The statement in para 2 of the President's second letter that all the toll-gates within the Bezvada Municipal limits were transferred to the Municipal Council in 1888, is apparently incorrect as the district Board could not have had a number of toll-gates within the area comprised in the Municipal limits.

SIR,

In forwarding herewith a copy of the District Board Resolution No. 2/1-12-96. I have the honor to request that Government may be pleased to sanction the transfer of the Vidyadharapuram toll-shed including the site on which it was built to the Bezwada Municipality.

The booked value of the building is Rs 200.

There is no toll gate now at Vidyadharapuram and the shed is not therefore required by the District Board. As it has been used by the Bezwada Municipality for several years and as the council in its Resolution No. 1/16-11-96 (copy enclosed) expressed a desire to take it

together with the site, apparently, as the building (shed) alone is said (in Cur. no 20947/97) to have cost Rs 37.
