READ—the following papers :—

From J. C. LARMINIE, Esq., M.I.C.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Waltair, 15th March 1897, No. 1221 G.N.

I have the honour to submit, herewith, a revised estimate amounting to Rs. 29,500 together with a comparative statement for constructing masonry works on the Tekkali-Anantagiri road in the Ganjam district, and to request that you will be so good as to obtain the sanction of Government to the same.

2. The original estimate amounting to Rs. 27,200 for the above work was sanctioned in G.O., No. 965 W., dated 9th April 1894.

3. The necessity for the revised estimate is explained in the comparative statements accompanying it, and the total excess over the original estimate requiring sanction is only Rs. 2,300.

4. The Executive Engineer has proposed in the revised estimate a culvert (A) of two 10-foot spans in place of the road dam 160 feet long, sanctioned in the original estimate, as the site is unfit for a road dam, and by this arrangement an excess outlay of Rs. 480 will be entailed; and with regard to the differences in the number of masonry works detailed in the comparative statement, I have herein enclosed a deviation statement received from the Executive Engineer, and this affords all necessary explanation.

Memorandum No. 2851 C., dated 11th June 1897.

From W. C. DEMORGAN, Esq., M.I.C.E., Executive Engineer, Ganjam division, to the Superintending Engineer, I Circle, dated Camp Haripur, 28th June 1897, No. 1124.

In returning the estimates which accompanied your No. 278 G.N., dated 18th June 1897, I have the honour to point out that the works are nearly all completed. Out of the revised estimate for Rs. 29,500, Rs. 27,900 were spent to the end of May and the balance Rs. 1,600 is nearly exhausted.

2. No hydraulic details were submitted with the estimate sanctioned under G.O., No. 965 W., dated 9th April 1894, and I submit that it will serve little purpose to prepare them now.

No. 323 G.N.

Copy submitted to the Chief Engineer, Public Works Department, with reference to his memo. No. 2851 C., dated 11th June 1897.

The revised estimate amounting to Rs. 29,500, for constructing masonry works on the Tekkali-Anantagiri road, is herewith resubmitted for favour of sanction.

6th July 1897.

(Signed) J. C. LARMINIE,
Superintending Engineer, I Circle.

ORDER—No. 2131 W., dated 4th August 1897.

The revised estimate, amounting to Rs. 29,500, for constructing masonry works on the Tekkali-Anantagiri road in the Ganjam district, is sanctioned in supersession of the estimate for Rs. 27,200, sanctioned in G.O., No. 965 W., dated 9th April 1894.

2. This sanction has been registered as Provincial No. 34 W. of 1897-98, and classified as Communications—Original Works.
