OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
Madras, 16 January 1897. 1896.
No. 4003
37
From
SURGEON-MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.
SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To
THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,
Local and Municipal DEPARTMENT.

SIR,

With reference to para 4(3) of G.O.No.1630-M, dated the 23rd September 1896, I have the honour to state that the District Medical and Sanitary Officer, Kistna, reports that the decrease in the out-patients' attendance in 1895-96 was due probably (1) to the opening of the Women and Children Hospital (2) to the frequent changes of hospital assistants who were all 3rd Class men (3) to the inadequacy of the staff and to the fact that several of the hospital --- assistants since dismissed or transferred bore a very unsatisfactory character.

2. He adds that it is always difficult to keep up with a sudden rise as that of 25,297 in 1894-95 from 16,251 in 1893-94 which was a very marked one ; moreover the difficulties referred to above have been felt this year also; notwithstanding that a 2nd Class hospital assistant has been appointed.

3. The delay in the submission of the reports is attributed mainly to the inexperience of the hospital assistant who compiled the returns and partly to exceptional pressure of work at the time.

I have the honour to be,
Sir,
Your most obedient Servant,

C. Sibthorpe

Surgeon-Major-General,
Surgeon-General with the
Government of Madras.
