The peti. states that in April last he presented a petition to the Municipal Council of Vaniyambadi praying for the grant to him of a license for his horse and carriage with springs. The Manager of the Municipality sent a reply stating that a license would be granted after taking the orders of the chairman. The Manager and the Sub Registrar, a Municipal Councillor, represented to the Chairman that the peti. resided outside the town, that he owned lands within Municipal limits and would therefore constantly visit the town, and that double the license fee should be demanded from him under Clause 2, Section 91 of Act IV of 1884. The Chairman has accordingly issued a notice (No 235, dated 1.6.97) to the peti. demanding from him double the usual fees. The peti. protests against this notice at the meeting of the Municipal Council held on the 6th instant but only in vain. The peti. and his agents pay taxes to the Municipality for the lands he owns within Municipal limits. He therefore prays that the Council may be directed to treat him as it does other applicants and to grant him a license in the ordinary course.
