Tellicherry 27<sup>th</sup> July 1897.

To,

The Secretary to Government  
Local and Municipal Department  
Madras

Sir,

I beg you will be pleased to favor me with a ruling on the following points in connection with the rules for the conduct of elections by wards under the District Municipalities Act.

1. Under rule 14 is it not incumbent on the Municipality to prepare and publish annually lists of persons qualified to be elected as councillors for each ward separately, or will it be sufficient if one list of all persons so qualified in the town as a whole is put up?

2. If separate lists for each ward are necessary, is a person entitled to have his name registered as a qualified Candidate in a ward where he neither resides nor exercises his profession, nor pays any tax whatever, nor has any property qualification?

3. Can such a person stand as a Candidate for election as councillor in the ward aforesaid, on the mere ground that he is a resident of the town and pays

pays the requisite taxes in a different  
ward altogether?

2. I make this reference in con-  
nection with the annual revision of the  
lists of voters and <sup>of persons qualified</sup> ~~residents~~ for councillors.  
which this Municipality has now  
taken on hand. I therefore request for an  
early reply on the subject.

I beg to remain,

Sir,

Yours most obt. Servant.
