Miss ORDER. N^o 1752 N. m. de 9. 8. 97

The Government considers that section 113 of the Madras District Municipalities Act IV of 1884, as amended by Act III of 1897, does not cover the feeding of the poor, as contended by the chairman in the special circular stated.

2. It is not understood why the chairman ^{if he doubted the validity of} ~~did not carry out~~ the resolution of the municipal council passed on the 19th June. If he doubted the validity of the resolution, he ~~did not at once~~ ^{should have referred} the point ^{because if the Council was legally at once, as it had been known that} ~~disbarred from the action required~~ ^{the poor were not to be fed by the Council} some charitable person would ^{probably} have come forward to do so ~~under the~~ ^(from orders)

for the orders of Govt. Since once it became known that

SUBJECT.

FOR ORDERS.

The chairman's contention that, as the maintenance of poor-houses out of municipal funds is authorized by section 118 of the Madras District Municipalities Act I of 1884, as amended by Act III of 1897, the expenditure of Rs 150 incurred by the municipal council in feeding the poor on the 21st and 22nd June, in honour of the celebration of the Diamond Jubilee of Her Majesty the Queen Empress is also covered by this section, does not appear to be correct.

The section does not cover "feeding the poor".

It is not understood why the chairman did not carry out the resolution of the

Council passed on 19th June.
If he ^{doubted} ~~was to dispute~~
the validity of the resolution
he should have referred the
point at once: & then (if
the poor were not fed) some
charitable person wd
have come forward to do
so. Perhaps however this
was done.

~~Through the Sub-Collector Godavery.~~

Sir,

I have the honor to state that the Council sanctioned at its meeting on the 19th ultimo, a sum of Rs 150 for feeding the poor on the 21st or 22nd Idam in celebration of the Diamond Jubilee. Section 113 of the Municipal Act (amended) provides for the maintenance of poor houses by Municipal Councils and the object of the Council being to spend the money in feeding the poor, the Council's resolution is in my humble opinion covered by the above Section, as feeding the poor is maintaining a "temporary poor house". But Mr. R. V. Dinadayalan Naidu, Deputy Collector in charge of the Division expressed a doubt whether the Council has power to spend the sum under Section 113 of the Act. I made a reference to the Collector and he remarked as follows:-

"It is questionable if the interpretation you put upon the section is not a strained one but as the money has been voted and presumably spent, the vote may stand so far as I am concerned and the matter be left to the audit Department to settle".

2. The money has not been spent and I request you will be pleased to place the matter before Government for a ruling on the subject. X

I have the honor to be,
Sir,

Your most obedient servant,

H. Jaita durgaprasadarayudu.
