With reference to para 10 of
G.O. No 341 M.C. dated 2nd
March 1897. In view of the honor to
submit herewith a statement
of arrears showing demand
Collection and balance during
1896-97 and to state that in
the administration report
for 1895-96, I reported that on
the recommendations of the
Subcommittees to whom the
arrear lists were referred for
personal Enquiry and re-
port, Rs 1044.7.8 being
considerable amount of house
tax

were written off the accounts as
in a great many cases, the
houses were in a ruinous state,
and that there was no property
for being distrained except
Chatties, pots, grinding stones
and tin tumbler whose value
would not cover the charges
for conveying them to the muni-
cipal Office. These houses
should not have been assessed
as the taxes on most of the said
houses were written off for
the previous years.

2. Rs 1201. 5. 0. were written
off the accounts on account
of the tax on carts for the years
1893-94 and 1894-95. The
Sub-committee to whom the
list of out-standings were
referred, after careful En-
quiry, recommended that
the amounts were due by the
parties who were dead, who
left the town and whose
whereabouts are not known
and to be written off.

and that they should be
written off the accounts, and
pointed out the cases in
which the amounts could
be collected to be retained
for collection. The Council
accordingly adopted the
Sub-committee's recommendation.
If the amounts in the above
mentioned cases had been
written off before the subsequent
years' demand was settled,
the same parties would not
have been assessed to the tax
and a similar write off
could have been avoided.
Necessary steps will however
be taken when revising the
tax for the current year.

I have the honor to be
Sir,
your most obedient

Drainage
Commissioner
