To: The Chief Magistrate
 Through: Sub Collector of Malabar

Sir,
 I have the honor to report for the introduction and sanction of Government the election of two Candidates nominated as Councillors for the B & C wards of this Municipality.

The election was held yesterday the 2nd June in two booths, situated in their respective wards, from 11 AM to 4 PM as fixed by the Council at their meeting in accordance with the election rules.

In each of the wards there was only one objection and for these 7 Candidates were nominated (3 for B and 4 for C) and none objected to a candidate being nominated.

In disposing of the objection, I removed the name of the Candidate from the list of nominations in both the wards under Section 10 of Act III of 1897 and communicated my orders to the Candidates under the election rules.

As there were only 2 valid nominations for B. ward and 3 for C. The election was held in the B ward in one of the rooms of the Municipal building used as a hall for the voters' travellers and in a private warehouse in the C ward. The two sites were fixed by the Council at a meeting. Two elected magistrates were appointed Polling Officers one for each of the wards. One of the Candidates objected to Mr. B. of the wards.

One of the Candidates objected to Mr. B. of the wards.

P. Hoyooma Elays Overgal a Municipal Councillor
being appointed a Polling Officer on the ground that
he has advised him to withdraw the nomination. I
informed the petitioner that his statement was unfounded
and improbable as he failed to produce any evidence to
support his statement and rejected his petition.

4. There were 228 Registered Voters in B. Ward
and 126 in C. Ward. Of these only 100 appeared
at the B. Ward booth and 44 in C. Ward respectively.
Candidate No. 2 in B. Ward who is also a candidate
in the C. Ward secured only 5 votes in the former and
none in the latter. The number of persons who voted
in the B. Ward is less than half the number registered
while the Voters who appeared in the C. Ward
booth is just a little over $\frac{1}{3}$ of the registered Voters
for that ward. The Polling was carried out without
any disturbance or difficulty and the Polling Officers
have brought nothing to my notice deserving any action.

A list of the Candidates and the number
of votes earned by each is enclosed together with a
statement showing the Constitution of this Council
for the information of Government with a request that
the names of the successful Candidates may be ordered
to be published in the Port St. George Gazette at
an early date.

I have the honor to be

to the Chairman in connection with
a petition complaining that ^{the} voters
lists were not duly published. The
Chairman's reply was received
here on the 30th ultimo and the petition
was rejected on the 6th inst.

The petition
was apparently
not one
objecting to the
election, as the
Collector states
in para 2 that
none had been
received.
