Deputy
CHAIRMAN, MUNICIPAL COUNCIL,

To.

The Honorable the Secretary to Government
Local and Municipal Department Madras
through the Collector of
Nagapatam,

Sir,

With reference to para 1 of G. O.,
No 1465, M. dated 21st June 1897, I have
the honor to report that the Council at its
meeting held on the 13th instant, resolved,
that His Excellency the Governor in Council
be requested to exempt this Council from
the operation of Section 39 of Act IV of 1884
as amended by Act III of 1897, till the
town is rid of famine.

2. Owing to the following reasons
the Council is unable to provide funds
towards the pay of the Secretary.

(1) That to provide funds towards
the pay of the Secretary, it will be necessary
to reduce the salary of the existing office
establishment, and, this will tell heavily
on these servants who are already
suffering much from the dearth

of provisions and food supplies on account of famine.

(2) that the Council will be put to additional expense of Rs. 260-0-0 a month on account of famine allowance granted to the Municipal Conservancy establishment from this month so long as the famine continues.

(3) that the Council also fears that owing to famine, collections of house and water taxes will fall greatly in arrears and that the increase in Revenue resulting from the enhancement of house tax by one percent and the imposition of water tax at eight percent will be solely utilized in contributing towards interest and sinking fund on account of the loan raised from Government for water works.

(4) and that according to proviso No 1 to Section 47, no portion of the water tax can be utilized in meeting the salary of the Secretary.

3. Under these circumstances, I request you will obtain the sanction

application
not yet accd?

of His Excellency the Governor in Council for the exemption of the Council from the operation of Section 29.

4. An extract from the proceedings of the Council dated 13th July 1897 is enclosed for the information of His Excellency the Governor.

I have the honor to be

Re 3055

Forwarded to Government.

I think the Council
should have a Secretary,
but that it might be
excused from taking up
him until it is freed
of the expenses now
being incurred on
accounts of the existing
scarcity & high prices.

It will take some time
to appoint or select
a Secretary, and if
the season goes forward
the work may be
expected to return to
a more reasonable
level by September,
when the Council need
not continue the
Famine allowances
which it is now

paying. - M. M. S.
