ORDER. N^o 1796 M. mis. dt 18.8.97.

14/8/97

The proposals of the municipal council to extend the levy of the tax on carts to the eighth class of the Schedule A, annexed to Act IV of 1884, as amended by Act III of 1897, and to elect a vice-chairman for the municipality are sanctioned, but no such sanction is necessary for the assessment of the tax on buildings and lands at 6 1/4 per cent of the annual value as heretofore, or for the levy of tolls at 50 per cent of the maximum rates given in the amended schedule D. The election of the ^{vice} chairman may proceed as soon as the rules which have been issued lately, shall have come into operation.

2. The assessment of the tax on vehicles with springs, palanquins, and animals at the increased

ates provided in the amended
chedule B, has already been sanc-
ioned in G.O. No 1627 N, dated 20th
July 1897.

3. It is understood that by
the expression "tax on vehicles with
and without springs and animals,"
occurring in paragraph 4. of the
Chairman's letter is meant the tax
on vehicles with springs, palanquins
and animals, the maximum rates for
of which are given in schedule B.
The chairman is requested to
report whether this surmise is correct.

The Chairman, M.C. Srivilliputtur
Through the Collector of Tirunelveli
Dated 26/8/97

levy of certain taxes in the Municipality under the Municipalities
Amendment Act III of 1897 & the appointment of a
Vice Chairman for the Municipality. C.A. No 2497/18/97
From the Chairman, M.C. Srivilliputtur.

For Orders.

In its resolution submitted
with the Chairman's letter read above, the
municipal council of Srivilliputtur makes
the following proposals:-

(1) To extend the levy of the tax on
arts to the eighth class of schedule A an-
nexed to Act IV of 1884, as amended by Act
III of 1897.

(2) To continue to levy the tax on
buildings and lands at 6 1/4 per cent of
the annual value.

(3) To levy the tax on vehicles
with springs and animals, and tolls at 50
per cent of the maximum rates given in the
amended schedule B & D, instead of at 50
per cent of the old schedule rates and

(4) To elect a vice-Chairman for
the Municipality.

2. The first and last proposals
are unobjectionable and may be sanctioned,
but no such sanction appears to be neces-
sary to the second proposal or for the
levy of tolls at 50 per cent of the rates
specified in the amended schedule D, as
there is no alteration in the rate at
which the tax on buildings & lands is to
be levied, or in the maximum rates of ^{tolls} ~~50~~ ⁵⁰ ~~50~~
given in the amended schedule D.

3. As regards the levy of the tax
on vehicles with springs and animals at
50 per cent of the rates given in the amen-

amended schedule B, it is observed that, as a circular sanctioning the assessment of this tax in accordance with the amended schedule has just been issued, (G.O. No. 1627/1 dated 20th July 1897), it will be sufficient to draw the Council's attention to this G.O. It is not, however, understood what is meant by the expression "tax on vehicles with and without springs" "occurring in para. 4 of the Chairman's letter, but as in the resolution of the Council reference is made to the "tax on vehicles" and to schedule B, it is obvious that it implies only the "tax on vehicles with springs, palanquins" the maximum rates of which are given in schedule B.
