READ—the following papers:—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 15th May 1897, No. 5332.

With reference to the enclosed copy of a certificate of the Executive Engineer, South Arcot division, I have the honour to request that sanction may be accorded for locating the Government Girls' School at Tiruvannámalai in the Government building, which will be vacated when the taluk cutcherry is removed to the new building under construction. The girls' school in question is not at present properly accommodated.

ENCLOSURES.

This is to certify that there is no suitable public building available for occupation of Government Girls' School at Tiruvannámalai for the year 1897-98.

2. Application should be made through the Director of Public Instruction for occupying the taluk cutcherry soon after the new building is completed.

No. 2921 C.

Referred to the Superintending Engineer, V Circle, for report as to whether the old taluk cutcherry at Tiruvannámalai has been vacated, and as to whether the Collector approves of the occupation of the building by the Government Girls' School.

18th June 1897.

(Signed) D. McNEIL CAMPBELL, Col., R.E.,
Secretary to Government.

Copy of letter from the Collector of South Arcot, to the Executive Engineer, South Arcot Division, dated 3rd July 1897, No. 525 Eng.

With reference to your endorsement, No. 730 M., dated 18th May 1897, on letter from the Inspectress of Girls' Schools, Southern Circle, I have the honour to state that the Sub-Collector is of opinion that, when the new taluk cutcherry at Tiruvannámalai is ready for occupation, the present old building should be reserved for (a) the special Bench of Magistrates to be appointed in that municipality, (b) the Municipal office, and (c) the Post office.

2. I am of opinion that the building being Government property, Government departments have preferential claims to it and that, as both the Postal and Educational departments seem anxious to occupy the old building when it can be vacated by the Revenue Department, those departments should be considered before the local municipal council, which will have to make other arrangements for its office. The proposed Bench of Magistrates can have the use of the Stationary Sub-Magistrate's court in the new taluk building when ready as elsewhere; and the old building may be handed over to the Postal and Educational departments. This building is quite large enough for both a post office and a girls' school, and slight alterations would render it quite convenient for both. I am therefore of opinion that a portion of the building may be made over to the Educational Department and the other portion to the Postal Department, as soon as the new taluk cutcherry is finished. The approval of the Director to the location of the girls' school in this building without reference to the Revenue authorities was, to say the least, premature.

No. 518 S.E.

Forwarded to the Superintending Engineer, V Circle, for favour of orders, with reference to his endorsement, No. 237 S.A., dated 25th June 1897, returned herewith with its file.

2. The old taluk cutcherry will be vacated soon after the new one is completed.

9th July 1897.

Ex. Engr., South Arcot Divn.

No. 250 W.

To the Chief Engineer, Public Works Department, for information, with reference to his No. 2921 C., dated 18th June 1897, herewith returned.

14th July 1897.
