Sir,

In G.O. No. 1878 M, dated 5th November 96 (Local & Municipal) Government sanctioned the restoration to the inhabitants of Calicut of the privilege of electing 12 municipal Councillors. Under Section 250(1)(a) of the act, the Governor-in-Council directed that the election rules should come into force 3 months after their first publication in the District Gazette in English and in Malayalam. The rules in English were published in the mid-monthly sheet of the District Gazette for January 1897. The lists of voters were prepared. In April 1897 the Council passed the following resolution--

"May 15" will be suggested to Government as the date on which voters lists shall be handed in to the Chairman."

2) The Government was moved to fix the 15th May as the date on which the voters lists should be handed over to the Chairman. The Government in its order No. 1055 M. M. dated 3rd May 1897 approved of the date. Meanwhile it was noticed that the notification in Malayalam was not published at all. The then Chairman addressed the Collector who passed an order that the election rules should not come into force till 3 months after the publication of the notification in Malayalam in the District Gazette. The notification was published in Malayalam in the District Gazette of June 1897.

3. I placed a minute before the Municipal Council at its meeting held on the 31st July 1897 suggesting that another date might be fixed by the Council with the sanction of Government under ruling of the rules for receiving the voters lists as the 3 months from 1st June 1897 expire with the 1st September 1897. I further brought to the notice of the Council that, according to the election rules, persons paying a profession tax of Rs 3 and above were entitled to vote and that in Schedule A of the amended act there was no 3 rupee class as in the Schedule A of the original act. The following resolution was passed.

" 8th September 1897 will be fixed

People in class VII pay Rs 2 & those in class VIII pay Rs 4 - As the rules stated all present only persons falling under class VII & the higher classes, votes included in the voters lists -

fixed as the date for receiving the voters lists subject to the sanction of Government. As there is no 3 rupees class in Schedule A of the amended act and as persons receiving a salary of Rs 30 and persons paying income tax are entitled to be registered as voters, the Council resolved to move Government to direct that persons paying a profession tax of rupee one also are entitled to vote."

The favour of very early orders is solicited.

I have the honour to be Sir

Your most obedient servant

Arumathapuram
Chairman.
