Sir,

With reference to G.O. No. 1059 of 29-5-1883 para 16, I have the honor to request that you will be good enough to allow me to collect fees monthly for private scavenging hereafter, instead of quarterly as several people in the town who pay fees in advance have been leaving the town during the quarter and they demand refunds. This will unnecessarily increase work. To avoid this difficulty, I request that you will be good enough to sanction monthly collection.

Sir,

Your most obedient servant

L. S. S. S.

Chairman.

With reference to the report of the Committee on the subject of the proposed alterations to the Bill, I have the honor to inform you that the Committee have been considering the same since the 1st of January, and have been unable to reach a conclusion. The Committee are of opinion that the proposed alterations are of a nature which would require the Bill to be amended in a manner which would be very costly and would be likely to result in the Bill being thrown out of the House of Commons. The Committee are therefore of opinion that the Bill should be amended in a manner which would be less costly and would be likely to result in the Bill being passed by the House of Commons.

I am, Sir, very respectfully,
Your obedient servant,
